"We are responsible for what we are, and whatever we wish ourselves to be, we have the power to make ourselves".

Swami Vivekananda

Message

I consider it my privilege to address my promising students, the youth of the day who have a great future ahead and who possess both the knowledge and the capability to create a better tomorrow for themselves, for their countrymen and for mankind at large. I am confident that in this University you will find innovative dynamic teachers, who have commitment to their noble profession and who guide you to have a multi-disciplinary and holistic approach to education and would ensure that you move out with strong, decisive and determined steps. What you need is a positive mindset; time management and willingness to use your capabilities for larger good of the people. We believe that the growth and development of our society is only possible by increasing the diversity of the student population and by effectively engaging in improving participation of the hitherto neglected segments of our population, that is, women, socio-economically disadvantaged, minorities etc. in the programme of higher education.

The Panjab University is committed to integrating intercultural and social dimensions into teaching, research and service delivery and to re-designing its social function in terms of building strong university-society linkages, emphasizing and disseminating core national values enshrined in our Constitution along with the skills to cope with the expectations of the 21st century and preparing students for a multi cultural and multi linguistics workplace environment. Academic interests are always given top priority by this pioneer University, which is always eager to sign MoUs with universities across the globe and to start new courses as per needs of the industry/society.

The Panjab University is proud of having faculty members, who believe in inculcating in their students values such as time management, harmony, tolerance and
respect for elders. You will agree that education is a process that makes a complete individual in all respects. The process of education must provide the students with means and the abilities to apply knowledge to the task at hand and at the same time strength of character to overcome difficulties. If my prospective students are to do well in life, they would require not only knowledge and discipline but also the desire and commitment to perform the assigned tasks with complete dedication. According to me, the students should be successful time managers to be able to prioritize the tasks - great and small, and schedule them to ensure minimum wastage of time, remember time budgeting is essential, you budget it as carefully as money. Strive for excellence regardless of work field you chose to work in, and you will never go wrong. Others will also appreciate your efforts.

In this era of globalization, transforming technologies are emerging in the corporate context and are being developed to primarily serve the narrow corporate interests and stake-holders. The shrinking base of stake-holders in this development and deployment of technologies is fast eroding their political and social legitimacy. It is increasingly being felt that these technologies are widening societal inequalities and deepening political conflict. An essential ingredient of technological advancement is the effort by society including its professional segments to ensure that societies promote social cohesiveness through necessary correctives. My proud students should not function in isolation of the social and political context nor should they remain in ivory towers or professional silos.

My dear students, you should not get intimidated by the day-to-day challenges; rather you should learn to surmount them. The moments of success and failure could also be moments that enable you to test your endurance and also provide opportunities to move higher in life. Please do not forget that hard work, discipline, commitment and determination are the tools with which you could navigate through the tough terrains of life and reach your destination of finding a good career in life.

I am reminded of a great saying of Aristotle “Education is an ornament in prosperity and a refuge in adversity”. A person who is educated has a certain aura around him, of dignity and wisdom. I am confident that prospective students desirous of joining Panjab University will be blessed with this aura and be benefited from a pleasant milieu and also enjoy a comfortable stay on the campus. May their journey from campus to career be a rewarding one, and take them to higher and still higher pinnacles of success.

General

Students of the B.Sc. (Honours School) study one major subject and two other subjects in the first 2-year of their Course. In addition they study English as preliminary subject during first year only. It is for the general guidance of the students that they must observe the following :-

1. Regulation regarding the attendance requirements will be strictly enforced as per regulation 3 at page 151 of the Cal. Vol. I, 2007, which reads as under :-

“Every student shall attend his classes on all working days unless he is granted leave of absence by the Head of the Department/College. If a student remains absent from his classes for a continuous period of seven days without leave, his name shall be struck off the rolls. Provided that he may be allowed re-admission in accordance with the Rules”.

2. All the students may carry their Identity Cards while going to attend subsidiary classes in other departments.

3. The various Science Departments may co-ordinate the educational tours of their students in such a way that the subsidiary classes are not disrupted unduly.

4. The final certificate issued to the Hons. School students will indicate the number of courses/ reappears availed of by them for each course.
5. Wherever NRI is mentioned in Part-A of this Volume, it stands for the category Foreign National/NRI.

6. That the first three toppers of the Panjab University C.E.T. Entrance Test, i.e. one each in the category of General, Women and SC/ST who join the courses at the Panjab University Campus, may be exempted from payment of tuition fee during first year and subsequently on the result of 1st year/2nd year/3rd year Classes as the case may be. [Extract from Syndicate Paragraph-I, dated 26-4-2003].

Admissions:

All admissions to the various courses in the University will be governed by the Rules and Regulations for admission as approved by the relevant bodies of the university.

At the time of admission, the student should submit an undertaking whether he/she has any criminal background and has been convicted under any criminal offence. He/She should also state in the undertaking if any FIR is registered against him/her or if any criminal proceedings are still pending against him/her at the time of submission of application. Further, the student should also state in the undertaking that he/she will not possess/carry any weapon on the University Campus and if any weapon is recovered from him/her, he/she be rusticated.

PANJAB UNIVERSITY : A PROFILE

An Overview

As an Institution which has gone through the vicissitudes of time, the Panjab University has demonstrated its resilience, durability, utility and acceptability as a unique institution of higher education. Retaining the time honoured and valued subjects of study, it has simultaneously started programmes in emerging areas and provided infrastructure of a substantial nature to provide quality education.

The Panjab University offers a beautifully laid out compact campus with modern amenities in a pollution-free environment. With its most modern laboratories and equipment, and one of the largest libraries in Asia, the University has a long tradition of pursuing excellence in teaching and research in science, technology, medicine, humanities, social sciences, learned professions, performing arts and sports. Nearly 13,000 students on its campuses come from all over India, besides the SAARC countries, the Middle-East, Africa and South-East Asia. An equal number of students are covered by the distance education programmes of the University. A special provision has been made for the admission of Non-Resident Indian students. The faculty of the University includes over 750 specialists, many of whom are internationally renowned scientists and academics. The celebrated Indian and foreign scholars visit and interact with the faculty and students of the University. By now, it has entered into programmes of collaboration and exchange with several reputed universities abroad. The Panjab University is chosen by the Government of India, University Grants Commission and other all India bodies for their special research programmes.

History

Of all the modern universities in the Indian subcontinent, the Panjab University has had a somewhat exceptional history and development. Originally founded at Lahore in 1882 as the fourth Indian University, it grew both as a teaching and examining body. After Independence, the Parliament of India reincorporated the Panjab University for ‘imparting education’, ‘furthering advancement of learning’, and for ‘prosecution of original research’ in various fields. However, the dislocation resulting from Partition in 1947 scattered its offices and teaching departments at various places in the East Punjab and Delhi. Finally, in 1956, the Panjab University came to be located at Chandigarh which was developing as the new capital of the Punjab State. The red sand stone campus of the University, designed by the French architect Pierre Jenerette under the overall guidance of the renowned Le Carbusier, was ready by the early 1960s.

After the Reorganization of Punjab in 1966, the Panjab University became an Inter-State Body Corporate, and catered to the newly organized states of Punjab and Haryana, and the Union Territories of Himachal Pradesh and Chandigarh. At present, 188 colleges from Punjab and Chandigarh are affiliated to the Panjab University which has its regional centres and extension libraries at Muktsar and Ludhiana, and Visveshvaranand Vishva Bandhu Institute of Sanskrit and Indological Studies and Swami Sarvanand Giri Regional Centre at Hoshiarpur. The University is maintained jointly by the Central and State governments in the ratio of 60 : 40, respectively. Its annual tentative budget for 2011 is Rs. 389.66 crores.
The Campus

The main campus at Chandigarh is spread over an area of over 550 acres in sectors 14 and 25, and has fairly well-marked zones: the teaching area in the north-east, with the Central Library, Fine Arts Museum, and three-winged structure of the Gandhi Bhawan forming its core; the sports complex, the health centre, and the shopping centre in the middle; 17 university hostels on the flanks and the south; and the residential area in the south-east, stretching into the adjacent sector 25 which also houses the newly developing University Institute of Engineering and Technology and Dr. Harvansh Singh Judge Institute of Dental Sciences and Hospital.

As a self-sustaining township, the University campus has other amenities like the State Bank of India, Canara Bank, Post and Telegraph Office, public transport system, open air theatre, guest and faculty houses, seminar complexes, staff club, several spacious lawns, botanical and medicinal herbs gardens, a newly laid rose garden, a school and a day-care centre for the employees’ children. The campus is adjacent to the premier medical institution of the northern region known as the P.G.I. (Post Graduate Institute of Medical Education and Research). The teaching departments, students’ hostels, faculty residences and other amenities are all within walking distance from one another.

Teaching Departments

The 75 teaching departments and 15 centres/chairs on the campus are grouped under the School System: Schools of Social Sciences, Educational Studies and Development, Fine Arts & Performing Arts, Physical Sciences, Basic Biological Sciences, Medical & Biomedical Sciences, Business Management, Engineering Sciences, Legal Studies, Languages and Environmental Sciences. Most departments have their own specialized libraries, and the working period runs for at least 180 days.

Constant in approach to make this Institution of higher learning a globally competitive leader, while discarding the obsolete and not so popular courses, the University introduced new courses prominent among which include M.B.A. in U.I.A.M.S., B.E. with M.B.A., 3 P.G.’s Diploma in School of Communication Studies, M.A. in Disaster Mgt; Master in Remote Sensing, M.A. in Community Education & Dev; B.Ed.–Special Education with Specialization in Learning Disability and B.Sc. (H.S.) & M.Sc. (H.S.) in Physics & Electronics.

Centres of Excellence

Recognizing the excellence in teaching and research, the University Grants Commission and more recently Department of Science and Technology, have recognized a large number of teaching departments under various programmes such as SAP/DRS, COSIST, CAS and FIST. The departments covered under various UGC and DST programmes include:

Research Programmes

With the provision of well-equipped laboratories, specialized reference libraries, and sophisticated equipment, the teachers and students are active in research in several frontline areas. The University offers postgraduate research programmes leading to different degrees. The University has introduced a test for enrolment for Ph.D. followed by a course work and also awards some research fellowships. Many faculty members and research scholars are engaged in collaborative research projects at the national and international levels. A large number of major research projects are sponsored by national agencies like UGC, DST, CSIR, ICSSR, ICPR and NBHM.

Energy Research Centre was established in 1983 at the Panjab University to promote Research and Development and Extension activities in the emerging fields of Renewable Energy. It has emerged as a major focal point of R & D and extension on energy and environment at the national and international level.

The University has been recognized as the “University with Potential for Excellence in Biomedical Sciences” by the UGC and the facilities for Stem Cell Research and Drug Development are being created with grant obtained under this scheme. It was also chosen for participating in the international collaboration for research for North Particles and the Large Hodron Collider (LHC) CERN, Geneven CMS Experiment, with a Government of India grant of Rs. 2.49 crores.

The University has instituted special Chairs in different areas exclusively for research. The research findings are disseminated through books, research papers and journals. In addition to the journals of some individual departments, the University publishes research bulletins for Sciences, Social Sciences, and Arts. These interdisciplinary research journals are refereed and internationally circulated.

The Central Library

The Central Library of the University, named after Professor A.C. Joshi, is known for its spaciousness, rich collections and the reader friendly facilities. Its five storey building is centrally air-conditioned and has large reading halls and compact stack areas with open access. The Library has a collection of nearly 7.1 lacs volumes, both rare and the latest, and nearly 639 current periodicals, with the back numbers going as far back as the nineteenth century. There are around 1500 rare manuscripts in classical and regional languages. This Library possesses facilities like photocopiers, overhead projectors, e-mail, internet, multimedia, CD-ROM databases, fax, inter-connected computer terminals, on-line journals, and a digital library. The Library provides computer access facility for the visually impaired students. The University Library has been recognized as one of the six national centres for data-information-distribution in the UGC’s INFLIBNET programmes.

Central Facilities

The University is one of the six centres in the country for super-computer facilities to serve the entire north-western region. The University is also a Special Centre of Technology Information Forecasting and Assessment Council (TIFAC), DSC, Govt. of India. The University is able to provide Internet connection for more than 500 terminals for the use of faculty members and students and a provision of EPABX, Intercom connections to all the faculty members in the teaching departments. The University also has a DST supported Regional Sophisticated Instrumentation Centre along with Central Instrumentation Library (CIL) and University Science Instrumentation Centre (USIC) to serve the scientific community not only on the campus but in the region. The Centre for Industry Institute Partnership Programme (CIIPP) has been active in promoting formal and effective academic-industry interface.
Students’ Council

The office of the Panjab University Students’ Council is located in the Student Centre. The Student Centre is the hub of students’ activities—academic, cultural, social and political. The Students’ Council consists of the departmental representatives and other office bearers, i.e., President, Vice-President, Secretary and Joint-Secretary, directly elected by the students from the various teaching departments on the campus. The Dean Student Welfare is ex-officio Chairman of the Council. The Students’ Council organizes youth festivals, both national and international, academic debates, literary and cultural events, and educational and excursion tours for the students.

Other Special Features

• A large number of scholarships of varying amounts and other forms of financial assistance and support are available to the deserving and needy students.
• Students get counselling for personal problems as well as career development.
• The University has excellent playgrounds, a gymnasium and a swimming pool of international standards for its sports activities. It won the coveted Maulana Azad Trophy for sports during 2005-06.
• Seminars, Conferences, Workshops, Training Programmes and Symposia in Sciences, Humanities, Social Sciences and Professional Subjects are conducted on the campus throughout the year.
• The Gandhi Bhawan houses a library on Gandhian Studies, an auditorium and a seminar room. It attracts scholars as well as tourists from all over the world for its wonderful architectural form and rich collection.
• There are four museums (Fine Arts, Ancient Indian History Culture and Archaeology, Zoology and Anthropology) on the University campus.
• The Department of Indian Theatre has its own theatre lab which is unique in the country.
• The University has an IAS Coaching Centre for training for Civil Services examinations, allied services and various other competitive examinations.
• The North-Western Regional Centre of the Indian Council of Social Science Research on the campus has a busy seminar complex, guest house for the visiting scholars, and a well stocked library. It regularly hold seminars on subjects of contemporary relevance.
• The Academic Staff College of the Panjab University is one of the first to be created by the UGC and holds refresher and orientation courses for in-service University and College teachers throughout the year. It has been provided with EDU-SAT Programme by the UGC. It also holds short-term training courses for administrators, researchers and others.
• The University has an active Alumni Association, and receives substantial donations from its alumni for developmental programmes, including construction of various buildings.
A. C. JOSHI LIBRARY

A. C. Joshi Library, as the Panjab University Library is officially named after an illustrious former Vice-Chancellor Prof. A.C. Joshi, is one of the largest university libraries of the country. Housed in a five storey centrally air-conditioned building in red stone, it has spacious reading halls and compact stack areas, with open access. With modular design, it is based on modern principles of architecture. The main reading halls of the Library, facing the Shivalik Hills, afford a panoramic view of the natural surroundings.

Endowed with manuscripts on the one hand and DVDs on the other; periodical holdings going back to the 19th century on the one hand and reference material in multimedia on the other; textual and bibliographical material of the pre-Independence period on the one hand and the online sources on the other, the Panjab University Library presents a blend of the old and the new under the same roof.

Facilities

The Library has a seating capacity for 600 readers. It is a fully computerized Library with an integrated system connected to the Campus network and possesses facilities like photocopying, fax, e-mail, Internet, On-line Public Access Catalogue (OPAC) multimedia, CD-ROM databases and on-line books and journals. Besides the two main reading halls, there are separate areas for text books, theses and rare books, newspapers, and current periodicals. There is provision of an Outer Reading Hall for studying personal books in the Library, round the clock.

There is provision of 24 research carrels for faculty members engaged in serious research work and 100 lockers for research scholars.

OPAC

The Library has in-house database of books, journals, theses and other reading materials. This data base is accessible through card-catalogue, Online Public Access Catalogue (OPAC) and Web-OPAC which is accessible through Library website. (library.puchd.ac.in).

Digital Library

The Library has got a digital library which serves as an access point to all the academic resources mentioned above. The Digital Library is equipped with computers of latest configuration with the facility of CD-writing and hard copies of journal articles. The Digital Library is augmenting the research activities of the research scholars and teachers. Besides this, the Library has its own Reprographic Section.

Collection

The Library houses nearly 7.1 lakh volumes, which include books, bound volumes of journals, theses/dissertations, rare books, reports government documents, back files of newspapers, CD-ROMs and a prized collection of 1492 manuscripts.

The Library is subscribing to 639 periodicals, a number of which are received on-line alongwith their print versions. The Library is also having access to about 4500 on-line journals through UGC’s INFONET programme and MHRD’s INDEST Consortium. These on-line journals can be accessed through Campus network. Besides, about 8,000 on-line journals and miscellaneous reference sources in the public domain are accessible through the Library Website–library.puchd.ac.in

Timings

The Library is kept open from 8.00 a.m. to 10.00 p.m. on all days of the week throughout the year, barring three national holidays. However, the Outer Reading Hall is kept open all the 24 hours a day. Books are issued and returned from 9.00 a.m. to 4.30 p.m., Monday to Friday. However, readers can avail issue/return facility after normal working hours through RFID Self-check and Book Drop System.

Membership

The membership of the Library is open to all bonafide students of the University teaching departments, all teaching and non-teaching staff of the University, fellows of the University, teachers of colleges affiliated to the Panjab University, eminent persons as Special Members, and institutional members under the Industry-Institute Partnership Programme.

Reader Services

Personalised reference service is the hallmark of the Library. Library Orientation Programmes are conducted in the beginning of each academic session for new entrants. A reader can approach any staff member for assistance, though Reference Desks are located in each Reading Hall. Newly processed books are brought to the notice of readers through weekly displays near the entrance of the Library.

The Library also arranges books on inter-library loan to and from other libraries on specific demand. For the purpose of resource sharing, the Library is a member of library networks at the national level like Developing Library Network (DELIBNET) and Information & Library Network (INFLIBNET) programme sponsored by UGC.

The Library provides computer access facility for the visually impaired students.
**Document Delivery Centre**

The Library has been designated by the INFLIBNET/UGC as the Document Delivery Centre for North-West region. Under this arrangement, copies of articles appearing in periodical publications received in the Library are supplied on demand, through e-mail/post to libraries in the region.

**JCCC**

The Panjab University Library is one of the 22 libraries designated by INFLIBNET for providing inter-library loan and document delivery services from the comprehensive collection of subscribed journals under its recently initiated JCCC@UGC–INFONET programme.

**RFID Technology**

The Library has introduced the latest RFID Technology alongwith new integrated Library Management Software to facilitate efficient issue/return of books including auto issue/return, better stacks management, inventory control and an improved security system for books in the Library.

**Digitization**

The Library is in the process of digitizing its manuscript collection.

**Computer Science and Applications**

The Computer culture at Panjab University dates back to 1966. By now an independent department exists with facilities of super-computing, well-equipped Computer Lab., internet access and e-mail. Each university department has access to the central computing, with internet and e-mail facilities, which are being brought to the desktops. Panjab University is one of the six centres identified by the Department of Sciences and Technology, Government of India to have super-computing facilities.

**Sophisticated Instrumentation Centre/UCIM**

One of the most modern instrumentation centres in the country, this setup houses Regional Sophisticated Centre, University Science Instrumentation Centre, and Central Instrumentation Laboratory. The instruments in the Centre are for analytical, spectroscopic and structural studies. The facilities of the Centre are available to the researchers in academic institutions and the industry. These instruments facilitate quality control. Besides meeting the needs of individual scholars, the Centre provides consultancy services to nearly 300 organizations to promote interaction between Industry and Research Institutions. Two professional courses (M.Tech. Instrumentation and M.Sc. Instrumentation) are imparted here.

**Scholarships and Financial Assistance**

Financial support is available to deserving and needy students on the Campus. A large number of scholarships of varying amounts, under the various schemes of Government of India and the state governments, and those instituted by private agencies and trusts are awarded every year. In addition, fee concessions, financial assistance, loans and other forms of support are also provided to the deserving and needy students by the University.
**Foreign Students**

A large number of foreign students from Asian and African countries have been studying at different levels at Panjab University. During 2010-2011 their number was nearly 108. Additional seats have been created for Non-Resident Indians in several disciplines. The Dean International Students looks after the welfare of the foreign students and also maintains liaison with the university authorities and outside agencies.

**Counselling and Career Development**

The students get counselling for further specialized training, admission tests and fellowships abroad, job opportunities and placement prospects. In some cases, the corporate sector and placement agencies send their selectors to the university campus for directly recruiting the meritorious students during the final year of professional courses. Counselling for personal problems, facilitating physical and emotional adjustment on the campus, is also available. Sometimes special workshops are organized to help students to learn more about themselves, their aptitude and abilities, and to enable them to overcome their limitations. Counselling and relevant information is provided by the Employment Information and Guidance Bureau and the University Information and Advisory Bureau.

**Centre for IAS & Other Competitive Examinations**

The Coaching for IAS and Other Competitive examinations admits students through an entrance test followed by interview. In the course of the coaching, students get exposure to specialized expertise available on the Campus. The UGC-NET examination is held in June/December every year and the Centre provides one month coaching for the examination. The Centre also provides coaching for PCS Judicial examination. A teacher co-ordinator and an honorary director look after the Coaching Centre.

**CAMPUS OFFICES AND ACTIVITIES :**

**Dean of University Instruction**

Under the overall direction of the Vice-Chancellor, the office of the DUI is the nerve center for all matters concerning the teaching departments. The grant of fee concessions and disbursements from the Students’ Amalgamated Fund are its concern too. The coordination and promotion of research activity of the university is a major responsibility of the DUI.
DEAN STUDENT WELFARE

The Dean, Student Welfare and the Dean Student Welfare (Women) look after the functioning of the University hostels, conduct of election to the student bodies, planning and organizing of cultural and extra-curricular activities on the Campus. They disburse cultural scholarships and financial assistance to campus students.

The Dean Student Welfare Office functions under the overall control and supervision of the Deans Student Welfare. The team consists of:

Prof. Naval Kishore
Dean Student Welfare

Prof. (Mrs.) Kalpana K. Mahajan
Dean Student Welfare (Women)

Sh. Devinder Marwaha
Deputy Registrar

Mrs. Ekta Bajaj
Dietician

The Office of the DSW is located in the Student Centre. It has the following constituents to promote the general welfare of the campus students.

Panjab University Campus Students’ Council:

Duly elected P.U.C.S.C. is constituted every year for having liaison with the students of the Campus. This Council organizes various cultural functions and also helps to promote sports and extra-curricular activities on the Campus.

Activities:

The Panjab University Campus Students Council and departmental societies organize various kinds of Academic, Cultural, Social and Extra-curricular activities to promote students’ involvement and participation in these programmes and to enrich the Campus atmosphere in general. Blood Donation Camps are also organized.

Campus Reporter:

This is an in-house publication printed annually for circulation amongst the campus students and the faculty members on the Campus. It aims at providing a forum for expression to the students and is published with their active cooperation. Besides giving wide coverage to the activities of the students and the personal contributions, various competitions such as short story writing, essay writing and poetry, cartoon and painting competitions are organized for the campus reporter. The winners are awarded prizes and their entries are published. The publication has sections in English, Hindi, Punjabi, Sanskrit, Urdu, Science, Persian, Law etc.
Campus Representation in Cultural & Literary Competitions:

The Campus teams are selected, trained and financed to participate in inter-College and inter-University Cultural and Literary competitions. The performance of these teams has been outstanding and they have been annexing trophies and overall best awards for the last many years. This office is also arranging Inter-college and Campus competitions.

Educational Tours:

Subsidized educational tours are undertaken by students under different educational programmes for data collection, field surveys, visits to industries, business houses, financial institutions, legislatures, libraries, laboratories, training institutes, museums, archaeological sites and places of historical importance. Most of these tours are integral part of the course structure of the departmental concerned and are guided by teachers.

Cultural and Youth Programmes:

Cultural activities and youth programmes provide opportunities for the expression and development of latent potentialities of the students by encouraging them to find outlets in joyous and constructive ways. The students participate in inter-college and inter-university cultural and literary competitions, zonal youth festivals, hiking and trekking expeditions, rock climbing, mountaineering and youth leadership training camps. These programmes are organized and coordinated by the Cultural Coordinator/Director, Youth Welfare and the Dean Student Welfare.

Students Scholarships:

The Office of the DSW is providing the following subsidies/financial assistance/scholarships to the Campus students:

1. Need Based Assistance, Need-cum-Merit and Handicapped Scholarships: These scholarships are paid for nine months a year to the students recommended by the Chairpersons as per conditions laid-down for the award out of “Students Scholarship Fund”.

2. Sports Scholarships: This scholarship is awarded on the basis of the grading done by the Sports Department based on the performance of the Campus students in various sports activities. This scholarship is paid for nine months a year out of “Students Scholarship Fund”.

3. Extra-mural Activities Scholarship: This scholarship is paid out of the “Amalgamated Fund”. The performance of the campus students in various Extra-mural activities like debates, seminars, one-act play etc. is the deciding factor for award of the scholarship. This scholarship is a fixed amount to be decided by the Vice-Chancellor on the recommendations of the Committee.

4. Financial Assistance: Financial assistance is paid out of “Poor Students Welfare Fund” to the P.U. Hostels residents.

5. Food Subsidy: Food subsidy is also paid to the deserving hostel residents. The recipients of food subsidy will do some duty/work in the hostel as may be assigned by the Warden.
**Student Centre:**

Student Centre is housed in an attractive cylindrical building almost at the Centre of the University Campus. It has a large indoor game section on the first floor in which facilities for a number of games like carrom, chess and table tennis are available. A stereo-set with adequate provision of Indian and Western discs and a coloured LCD TV set are added attractions of this section. There is a spacious reading room on the second floor in which students can browse over a variety of newspapers and periodicals in a cozy atmosphere. GD-I: Best of all GD Channels, GD-2: Interactive Distance Education and GD-3: Technical Education under the auspicious of Indira Gandhi National Open University (IGNOU), New Delhi have been provided in the library of the Student Centre which broadcast Gyan Darshan programmes. This venture has been catalysed by the Ministry of Human Resource Development, Prasar Bharati & IGNOU for the benefit of the student community. This is one of the new additions to the Student Centre. Spacious room establishing a Placement Cell for the benefit of the Campus Students exists on the 2nd floor of the Student Centre. The top floor of the Student Centre building houses a modern cafeteria, where light beverages, snacks, South Indian delicacies/dishes are available at concessional rates. A stereo-set has also been installed in the Cafeteria. The shops adjoining Student Centre are mainly run for the convenience of Campus students.

**Hostels:**

There are sixteen multi-storey hostels on the Campus. Eight of these are for boys and eight for girls. Girl students constitute the majority of boarders. Accommodations for girls have also been provided in Working Women Hostel which is equipped with all modern facilities. A new Sports Hostel has been built for visiting sports teams. Besides two more hostels are also proposed to be constructed soon.

In addition to cubicles and dormitories, each hostel has guest room, essential services of tailor, laundry and barber. There is a special arrangement of indoor games (carom, chess, table tennis etc.), reading materials (newspapers and magazines), music system and LCD T.V. for recreation of residents. Outdoor game facilities like badminton, volleyball and basketball have been provided in the sprawling green lawns of the hostel. Recently cybercafé, wi-fi and gym. facilities have been added to all hostels.

With a view to ensuring food as per liking of residents, they (residents) are encouraged to run co-operative messes and the Dean of Student Welfare ensures all possible facilities in this direction. This is planned with a view to create healthy competition with the contract messes.

Modern facilities like cooking gas, fans, deep-freezers, geysers, water-coolers, desert-coolers, etc. have been provided in the hostels. Besides, cooking gas connections have been installed in all the hostels. To ensure good food for the residents, food is prepared under the supervision of a Dietician. The mess and canteen servants have been provided with summer & winter uniforms and hand-gloves to ensure hygienic conditions. The servants/contractors are extended the medical assistance in case of need.

The Dean Student Welfare reserves the right of admission to all the University Hostels. Each Hostel is administered by a Warden (Teacher) and supporting staff. Application for hostel accommodation is to be submitted by the student on the prescribed form available from the Cash Counter, S.B.I. extension counter at Panjab University, Chandigarh. The Dean Student Welfare has been entrusted with the overall responsibility of directing and functioning of the hostels and maintaining discipline.

The residents are required to observe the rules printed in the Handbook of Rules for Residents of the Panjab University Hostels for the relevant years.

**Important Note:** Hostel Seats are limited (See University Website puchd.ac.in) and these will be allotted exclusively on the merit basis as per the quota allotted to the Departments.
Extension and General Awareness Programmes

The University reaches out to the wider public also through its Centres for Computer Science, Energy Research, Population Research and Adult and Continuing Education. At the regional level it looks after total literacy programmes and publishes teaching-learning packages and training materials. The UNESCO Centre organizes programmes promoting international understanding, global peace, human rights, general health, and freedom from drug abuse. Through its inter-disciplinary programmes, the U.G.C. Academic Staff College offers Orientation and Refresher Courses for the College and University teachers. Some of these courses focus on vital issues like environment and gender relations. The office of the Dean of Alumni Relations maintains a link with the old graduates of Panjab University and provides a forum to them for exchange of ideas on academic, cultural and social issues of the day. The P.U. Extension Library at Ludhiana meets the needs of the students, teachers and the general public in and around the city.

Publication Bureau

The University publishes text books, general books and works based on research. Established in 1948, its Publication Bureau has brought out over a hundred scholarly and general works and over 200 text books. Several of these have run into multiple editions and reprints. The Bureau holds periodic exhibitions of its publications. The University also has a modern printing press of its own.

Dean College Development Council

The developmental aspects of colleges affiliated to the university, such as the UGC grants, vocationalization, teachers’ training and affiliation for new courses are taken care of by the Dean, College Development Council.

Public Relations Department

An important link with the public, government agencies, and the media, this Department provides the channel of communication also within the Campus-between the University authorities, the Teaching Departments and the students. The P.U. News, a quarterly of events on the Campus and the affiliated colleges, is brought out by this Department. The Director, Public Relations also assists in the media-coverage of seminars and special lectures and gives formal and informal counselling to students and general public.

Grievance Cell

Grievance Cell is constituted for a period of two years consisting of at least six members for redressal of complaints of sexual harassment of women employees/female students. The cell is headed by a woman professor as its Chairperson and has 50% of its members as women employees. Its members include a woman counsellor and a person with legal background.

Administrative offices

The massive university secretariat housed in the five-storey Administrative Office has three well marked branches looking after General Administration, Examinations and Finance. In addition to the matters concerning the Faculty and students on the Campus, this office deals with over a hundred affiliated colleges and conducts various examinations.

An all weather Pool is coming up for which the Worthy Vice-Chancellor has sanctioned Rs. 1 crore.

Directorate of Sports has its own sports hostel to accommodate the sports persons who come to participate in the inter-college or inter-university competitions. This hostel has a three storey building to accommodate about 200 players. Another girl’s sports hostel is going to be constructed within a year to accommodate about 300 sportspersons with eight official rooms. It will go a long way in the improvement of sports standards of the university players.

Our aim Excellence in Sports.

The main objective of the Directorate of Sports is to foster sportsman spirit inculcating sense of discipline, co-operation, social harmony, integrity and fitness among the players. Directorate of Sports feels concerned about the health and fitness of Panjab University employees also and organizes a physical fitness festival for them every year. Employees participate in games like football, volleyball, table-tennis, badminton, cricket, tug of war and athletics. The participation of the University employees is always encouraging. It has proved to be a very useful scheme for the university employees.

The latest and modern equipments for all the games are available for the use of the University players. The Directorate of Sports organized about 94 Inter College and 4 Inter University competitions in various games this year. The Directorate of sports fielded 62 teams both for men and women in Inter University competitions and arranged coaching camps in these games under the supervision of expert coaches.
Beside the above mentioned activities Directorate of Sports has also taken care of the Physical fitness of the students and promotion of sports on the campus, arrangements for all the games in which Panjab University participates in the Inter-varsity competitions exist in the University, Coaching and training facilities, spacious playgrounds, an excellent swimming pool, modern gymnasium hall and the latest equipments are available to the students.

The campus has some first-rate teams which have been winning the Panjab University Championships for the last several years. Quite a number of players of P.U. Campus are selected in the University and national teams every year.

Outstanding sports persons are given financial concessions and other incentives. Merit scholarships are also awarded to such persons. Players of all the teams representing P.U. Campus in the inter-college competitions are given uniforms (free of cost) & refreshments during coaching camp to encourage more participation in the sports competitions.

Inter-Hostel championships in almost all the major games are held every year and running trophies are awarded to the winning hostel teams. Inter-departmental cricket matches are also being held regularly.

Campus open championships are also organized every year. Campus teams are sent to participate to the local matches and also represent Chandigarh in the Inter-State and the National Championships.

5% seats are reserved for sportspersons in the teaching departments. Students admitted under this category are required to attend the grounds regularly, failing which their admission is liable to be cancelled from the department. It has been done to encourage more participation among the campus students.

**Infrastructural and other Facilities in the Directorate of Sports**

Bhai Ghanayia Ji, Health Centre is now renamed as ‘Bhai Ghanaiya Ji Institute of Health’ as the University is going in for a biggar expansion, the health facilities need to be augmented and infrastructure strengthened. Bhai Ghanayia Ji, the founder of “Sevapanth Order of the Sikhs”, who rendered humanitarian services to the society irrespective of considerations of religion, race, caste, sex etc.

Presently, the P.U. Health Centre is manned by four full time Medical Doctors (including one Medical Doctor (Ayurveda), Dr. D. Dhawan, Chief Medical Officer, Dr. R. Khullar, Addl. CMO, Dr. B.S. Lal, Addl CMO, Dr. Mrs. P. Kwatra, MO (Ayur) and part time two Medical Officers (GP), One Gynecologist, One Ophthalmologist, One Radiologist, One Child Specialist, One Medical Specialist, One Visiting Consultant & One Yoga Instructor. The supporting staff consists of seven pharmacists, four nurses, two dressers and other supporting staff of two ward boys, two dressers, four medical attendants and also two laboratory technician & five cleaners (regular and contractual). Besides, the office is manned by one steno and one clerk.

They are serving the strong community of about 30,000 (thirty thousand) consisting of students, teachers, the members of administrative staff & construction office staff (both serving and retired) along with their dependents. The number of patients visiting Health Centre is about 300-350 per day.

**Regular Scheduled hours:**

- Morning Shift – From 8.30 a.m. to 12.30 p.m.
- (Monday to Friday)
- From 9.00 a.m. to 11.00 a.m. (On Saturday)
- Evening Shift – From 5.00 p.m. to 6.00 p.m. (Monday to Friday)

**Emergency Services:**

Emergency services to the entitled patients are provided round the clock (24 hours). From 8.30 a.m. to 10.00 p.m. in the premises of the Institute of Health and from 10.00 p.m. onwards till 8.30 a.m. the next day at the residence of the duty doctor (by rotation).

**Ambulance:**

Fully equipped 24-hours ambulance service is available to all the patients. This service is free to students and Class-C employees and their dependents.

**Supply of Medicines:**

On the basis of their Medical Entitlement cards all the employees both teaching and non-teaching & their dependents and students on the basis of their identity cards are provided in stock medicines. All the purchases of drugs are made directly from the pharmaceutical firms/companies that are on the approved list of PGI, Chandigarh. With this arrangement we are able to save about 50% on an average on the cost of medicines. Medicines worth Rs. 30 lacs are purchased for the patients by the Institute of Health every year. About 30 chemist shops/drug stores in the tricity are offering a discount of 10% on branded medicines and 30% on generic medicines for medicines which are not available in the Institute of Health. This results in an approximate savings of about Rs. 30 lacs the remaining chemist shops have also started giving discount to University patients.
New Entitlement cards:

Started from 1st May 2010, the process of issuing new & renewing Institute of Health medical entitlement cards to employees and their dependents is almost complete. About 8441 cards have already been issued. This process has resulted in weeding out cards of non entitled persons. Dependent children of women employees have also been provided free medical OPD & other available facilities at the Institute of Health from this year.

Chronic Diseases and Disbursement of drugs:

A special drug dispensing area is earmarked for patients of chronic ailments like Hypertension, Diabetes, Heart diseases, Epilepsy and Asthma for getting their monthly medicines. The Employees and retirees are greatly benefited by this arrangement.

Revised National Tuberculosis Control Programme (RNYCP):

The Institute of Health is an approved designated place under Govt. of India RNTCP. All the Tuberculosis patient are provided monthly anti-tuberculosis medicines from our pharmacy.

Monitoring of Communicable Diseases:

Special arrangements were made this year to monitor all Communicable diseases including H1N1 (Swine Flu) in co-ordination with the U.T. Health services and create awareness among the employees and students. A numbers of cases of conjunctivies are also reported every year. Records of patients having symptoms like cough, cold & fever etc. are maintained separately to facilitate monitoring. The staff of Institute of Health have been immunized against H1N1.

Special provision for Senoir Citizens:

For the convenience of the superannuated employees of the University, a special provision is made to facilitated their registration and out of turn consultation by the doctors in order to provide them medical assistance with in minimum possible time frame.

Diagnostic Services:

X-Ray facility is being augmented with the installation of 500mA digitalized version of X-Ray machine (Siemens) with a mammographic compatible unit and with a CR System (Fuji). This is purchased for an amount of Rs. 26 lac 25 thousand. There is a well equipped laboratory with adequate staff for all the routine tests in hematology, serology and biochemistry. Sampling for investigations to be carried out in the lab of Dental college are also done. A semi auto-analyzer for the performance of various laboratory investigations is being purchased at the cost of Rs. 2 lac. A new 12 channel Schiller ECG machine worth Rs. 1.28,000/- has been made functional in a separate ECG room. Along with this, a newly purchased fully equipped (medicines, injections, oxygen cylinders). Dunlop padded patient couch with foot rest has been put into use for patient benefit and use.

Yoga Classes:

Yoga Classes are being conducted under supervision of Yoga Instructor in the evening from 4 p.m. to 6 p.m. (Monday to Friday). About 8-10 persons per session are benefited from this facility.

Special Lectures/Workshops:

Special lectures by experts in various health related fields are periodically arranged for spreading awareness on health issues like Body Mass Index, Bone Density Measurement, Diabetic Neuropathy, Pulmonary Function Test and Road Safety etc.
Medical Camps:

Medical camps were organized on spirometry, Bone Mineral Density, Thyroid, Diabetes detection camps and Hypertension in association with Pharma companies for the benefit of University community. This year 388 patients were examined for Bone densitmetry, Hb/Alc test was performed free of cost for twenty patients.

Reimbursement Facilities:

Reimbursement facilities are available to all the bonafied University employees & their dependents (both serving and retiree) as per medical reimbursement rules of the University. One window service is being started for the quick, easy and hassle free reimbursement process.

Hospitals on Panel:

A proposal has been got approved for placing reputed hospitals on panel. MOU has been signed with five reputed hospitals (i.e. Grecian Hospital, Silver Oak, Mukat, Alchemist, Indus) initially for treatment of P.U. employees & their dependents at concessional rates commensorating with PGI, Chd./AIIMS, New Delhi medical reimbursement rates.

Centralized Computerization:

All the patient related records like OPD, reimburrsement, purchase & distribution of medicines and other health facilities, diagnostic facilities and office records etc. are in the process of centralized computerization. Three new computers have already been installed for this purpose (this is in addition to two already functioning computers).

Backup Electricity Facility:

During the period of non availability of electricity, a back up facility is being established by providing no maintenance battery inverters for Rs. 90,000/-. This will result in smooth functioning of diagnostic OPD and emergency services during no electricity. This will be in addition to one inverter already functioning in emergency room.

Teaching Activities:

The medical doctors of the Institute of Health are regularly engaged as guest/honorary faculty for teaching of subjects medicines, surgery, sports medicines and exercise physiology in the department of Harvansh Singh Judge Institute of Dental Sciences and departments of physical education. The medical doctors regularly participate in Continuing Medical Education Programmes through out the year for updating medical knowledge with latest happenings in the medical field. They also deliver lectures in various national conferences/academic staff college/depts. etc. on medical issues.

Construction of New Facilities & Renovation:

With a budget of approximately Rs. 50 lacs, a new emergency wing is being constructed along with construction of doctor’s OPD chambers, office automation, renovation of the existing building with special care of toilet facility. New furniture for the comfort of the patients and staff has been purchased for Rs. 2 lacs and is already being used.

24x7 TV:

A television for the patients in the waiting area is running 24x7.
Sexual harassment is a serious criminal offence. Follow the code of conduct and discipline for the avoidance of this evil on the University Campus.

There is an Internal complaints Committee for sexual harassment constituted by the Vice-Chancellor and headed by D.S.W. (W) :

1. Any student alleged to be involved in any misconduct will be liable to be suspended from the University and on proving the commission of misconduct the student shall be liable to be expelled from the University. The student aggrieved from the decision of the University shall be entitled to appeal to a Standing Committee to be constituted for the purpose by the Vice-Chancellor, of which a retired High Court Judge shall be the Chairman.

2. Once a student has indulged himself in the misconduct in any manner whatsoever on the University Campus and action taken against him, he shall not be entitled to admission in any Department of the University and for this purpose a separate web-site be created by the University so that the head of the Department while granting admission is liable to check whether the student seeking admission is entitled to admission on account of his previous misconduct. The Head of the Department shall ensure checking the web-site before granting admission and shall give a certificate on the admission form to that effect.
Condonation of shortage of Lectures

That in order to make improvement in the procedure for condonation of shortage of lectures of the students of Teaching Departments and the Regional Centres of the University, the Vice-Chancellor as authorized by the Syndicate Paragraph 52 dated 18-11-2006, has decided that while processing the cases for condonation of shortage of lectures, the following precautions may be observed :

1. The reason for shortage of lectures must be given in the column of the proforma for submission of the statement for condonation of shortage of lectures and the documents/certificates justifying the reason must be attached duly countersigned by the Chairpersons. The guidelines are with A.R. (R&S) for consideration of the cases of extreme hardship must be observed.

2. Correctness of the calculations of the statement showing the shortage of lectures must be ensured to avoid delay in processing the cases.

3. The cases for condonation of shortage of attendance must reach the office of the A.R. (R&S) at least 10 days before the commencement of examinations (earlier this period was 15 days) so that the orders of the competent authority are obtained well before the commencement of the examination and the Chairpersons are informed at least 2-3 days before the commencement of the examination to enable the eligible students to get their roll numbers at least 2 days before the commencement of examinations and the detained students are also informed well in time.

4. The statements showing the shortage of lectures of students to be detained must be submitted on separate proforma, while recommending the name of students for detention every care must be taken to ensure that the student is not entitled for grant of weightage on account of participation in sports/cultural activities etc. In accordance with circular No. 641-700/DUI/DS dated 01-02-2005 the students willing to participate in Sports/Cultural activities are required to apply for leave to the Chairperson prior to the commencement of such activities and after participating in Sports/Cultural activities, they are required to obtain a participation certificate from the office of the D.S.W. and to submit the same to the office of the Chairperson. The concerned students must be given hearing before recommending his/her case for detention. (No. 8317-8406/R&S, Dated 27-11-2006).

GENERAL REFUND OF FEE RULES

I. Departments where waiting list is being prepared

In this case, the fee refund cases be considered as per the provisions conveyed by the UGC vide Notification No. F.No. 1-3/2007 (CPP-II) dated 23.4.2007 relevant part of which is as under:

“In the event of a student/candidate withdrawing before the starting of the course, the waitlisted candidates should be given admission against the vacant seat. The entire fee collected from the student, after a deduction of the processing fee of not more than Rs. 1000 (one thousand only) shall be refunded and returned by the Institution/University to the student/candidate withdrawing from the programme. Should a student leave after joining the course and if the seat consequently falling vacant has been filled by another candidate by the last date of admission, the institution must return the fee collected with proportionate deductions of monthly fee and proportionate hostel rent, where applicable.”

Ivi
Departments where no waiting list is being prepared and the admissions are being done on the basis of merit in the various counselling sessions.

The fee refund cases under this category shall be dealt with as under:

(i) **Students leaves before the last counselling**

Full fee deposited by the student shall be refunded after deducting Rs. 1000/- as processing charges and proportionate deduction depending upon the period he remained on University rules.

(ii) **Students leaves after last counselling**

(a) Full fee deposited by the students shall be refunded after deducting Rs. 1000/- as processing fee and proportionate deduction in case full seats were not filled up in the last counselling.

(b) 50% of the fee deposited by the student shall be refunded after deducting Rs. 1000/- processing fee and proportionate deduction, in case full seats were filled up in the last counselling.

In case, the department has provision for admission after the last counselling date (e.g. lateral entry or migration) then the balance 50% of fee deposited by the student shall also be refunded in case the seat vacated by the student in the last counselling is filled up thereafter after production a certificate from the Chairperson/Director of the concern Department in this regard.

*(Syndicate Para 12, dt. 4-12-2009)*

**Note:**

1. The proportionate deduction may be calculated on the basis of number of days from the date of admission of the student i.e. on the day he/she deposits fee and becomes on the roll of the College/Department/Institute till his leaving the course. This deduction will be in addition to the processing fee of Rs. 1000/-.  

2. For this purpose, he/she must apply for refund on the prescribed refund application form through the Head of the Department to the Assistant Registrar Accounts-II.

That the time period for applying refund of fee by the students be fixed up to 30th November and refund application must reach the ARA-II office by **15th December from Department/Institution**.

Refund forms will be available on the P.U. Website ([www.puchd.ac.in](http://www.puchd.ac.in))

3. But in all other Cases of the students Continuing their studies, the Library Security will be refunded if he/she will apply within six months from the date of leaving the Department/Institute/Centre/Regional Centre after completing the full course of studies.
II. Refund of Fee Rules of Foreign/PIO/NRI Category

1. In case, the candidate is admitted in the Foreign/PIO/NRI category and leaves the course & the seat vacated by a candidate is filled by granting admission to another applicant against the vacated seat, the tuition fee may be refunded to the person after deduction of 10% of the tuition fee as administrative charges. In case a seat vacated by such a candidate is not filled, the tuition fee may be refunded after deduction of 25% of the tuition fee as administrative charges. This will be applicable only in the case where the candidate has left the University Department/Institute/Centre/Regional Centre & did not join any other course in the Panjab University. All other funds and charges including Development Fund, in no case, shall be refunded. For this purpose, he/she must apply for refund on the prescribed refund application form through the Head of the Department to the Asstt. Registrar Accounts-II. That the time period for applying refund of fee by the students be fixed up to 30th November and refund application must reach the office of ARA-II by 15th December from Department/Institution. However, all other funds & charges including development fund, shall not be refunded under any circumstances, except refundable Library Security.

2. If a student originally gets admission in a University Department/Institute/Centre/Regional Centre under Foreign/PIO/NRI category or in General/Reserve Category and leaves the same for joining another course in the same Department or another Department/Institute/ Centre/Regional Centre in the Panjab University during subsequent counsellings of Foreign/PIO/NRI category or in General/Reserved Category, his/her tuition fee, registration fee and other charges including Development Fund shall be adjusted on admission in the later course/Department/Institute/Centre/Regional Centre in the same session only. If there is any excess amount still left after the fee adjustment i.e. balance sum if any, shall be refunded after a deduction of Rs. 500/- (Rs. five hundred only) as Administrative charges.

Provided :-

(i) If a student shifted from NRI etc. category to General/Reserved Category, his/her Registration fee and development fund of Foreign/PIO/NRI category shall be adjusted in the later/same Department/Institute/Centre/Regional Centre of the Panjab University but shall not be refunded under any circumstances.

(ii) In case a student shifted from General/Reserved Category to Foreign/PIO/NRI category he/she is liable to pay Foreign/PIO/NRI category tuition fee, registration fee and development fund. Other charges deposited by him/her shall be adjusted in the same session only. His/her General/Reserved Category tuition fee and balance (if any) be refunded after deduction of Rs. 500/- as administrative charges.

(iii) In case due to unavoidable circumstances, on shifting to another course in the same Department or another Department/Institute/Centre/Regional Centre of the Panjab University a student has again deposited the tuition fee, development fund and other charges in the later Department/Institute/Centre/Regional Centre of the Panjab University, his/her tuition fee and other charges deposited in the earlier Department/ Institute/Centre/Regional Centre shall be refunded as per (i) and (ii) above.
(iv) For adjustment/refund, he/she must apply on the prescribed refund application form for adjustment/refund of the tuition fee and other charges as the case may be within 15 days from the date of shifting to another Department/Institute/Centre/Regional Centre through the Head of the later Department to the Assistant Registrar Accounts-II.

(v) However no carry forward/adjustment of fee shall be allowed in the subsequent session/class/year if the duration of the course is more than one year. No refund of fee shall be allowed after the expiry of the said 15 days’ period.

(vi) The fifteen days shall be counted from the date of his/her latest shifting i.e. whichever is later.

III. A student seeking admission in University Institute of Engg. & Tech. (UIET), S.S.G. PURC, Hoshiarpur, Department of Chem. Engg. & Tech. (DCET) shall pay Rs. 1000 (One Thousand only) & Department of University Business School (UBS), Chandigarh/Ludhiana shall pay a sum of Rs. 5,000/- (Rupees Five thousand only) in advance as part Payment of the tuition fee at the time of counselling. In case he/she does not seek admission within the stipulated period by paying the full tuition fee, funds and charges the amount deposited as advance shall stand forfeited. In case he/she is admitted in the course and pays full fee funds & charges, the sum shall be adjusted in the total annual fee payable for that session/year only.

IV. The shifting of a Foreign/PIO/NRI candidate to General/Reserved category seat is allowed strictly on merit only during the current session/year up to the date of the last counselling. Even if some seat falls vacant after the date of last counselling during the same session/year, it shall not be allowed to fill up. It shall also not be allowed in the next/subsequent session/year under any circumstances even if there may be vacant seats in the department/institute/regional centre under General/Reserved quota seats in the said class/course.

V. It was also clarified that the above rule for the refund of tuition fee on approval from the competent authority, shall supersede all the previous rules governing the refund of tuition fee rules and appropriate amendments be made immediately in the P.U. Cal. Vol. III accordingly.

Adjustment of Tuition Fee & other charges in the next semester/session of UIET and University Institute of Legal Studies and its Centres :-

(1) tuition fee be charged semester-wise but other charges be taken annually e.g., Development Fund, Sports Fund, etc. which are not refundable/adjustable;

(2) if a student was not permitted to attend the class of a semester due to one or the other reason, he/she be not asked to pay the fee for the said semester, if already paid, only rejoining fee/charges be charged from him/her;

(3) if a student attended any class/es of the semester where he/she has been declared ‘detained’ at the time of the start of the semester, he/she would be charged again whenever he/she becomes eligible and attends the class again;
Tuition fee will be charged for twelve months in a year (i.e. from June to May)

The tuition fee etc. for the full academic year will be collected by the University Office, through its SBI Extension Counter in two instalments as under on specified dates.

The name of the admitted students will be brought on the rolls of the class on production of receipt of full dues paid otherwise their admission shall be held null and void.

Each student is required to pay tuition and other fees in two instalments i.e. one at time of the admission and the 2nd during 10th November to 30th November. Students who are absent, or on leave, on the prescribed dates will arrange to deposit their dues for the 2nd instalment through someone. The names of such students who will not deposit 2nd installment of tuition and other fees shall be struck off the rolls of the Deptt. w.e.f. 1st December and shall not be allowed to attend the classes. Their admission forms for the University examinations shall not be forwarded to the University also.

Students whose names have been struck-off for non-payment of dues for the 2nd instalment can seek re-admission through the Chairperson of the Deptt. concerned within one month from the date of their names are struck off and they shall be required to pay their dues alongwith prescribed fee with the University. They will be allowed to attend the classes only on production of original receipts to the Deptt.

After the lapse of this period, re-admission would be granted by the D.U.I. only in very hard and genuine cases, within the same academic year and their admission forms for the University examinations shall be forwarded subject to the condition of completion of lectures. In such cases the students shall deposit their fees alongwith prescribed re-admission fee with the University and obtain clearance slip from the Student Section of the Accounts Branch (Administrative Block) before they are allowed to attend the classes by the Department and their examination forms are forwarded to the University.

Notes :-

1. Students partly defaulter for tuition and other fees shall be required to clear their dues by 30th January and obtain clearance certificate from the Student Section of the Accounts Branch in the Administrative Block failing which their Roll Nos. for the University examination shall not be delivered by the Departments.

2. All kinds of fee concessions are granted by the D.U.I. and as such no adjustment/exemption of fees can be exercised by the students themselves, though eligible for fee concession he/she may be unless he applies for the concessions and the same is granted by the D.U.I. If a student who has not applied for a fee concession and does not pay fee for a term, he/she will not be considered on rolls of the Department.

Important Instructions:

Students while depositing their fees, should quote Deptt., Class and Roll Number. Before leaving the Cash Counter, they should check the particulars given on the receipt. The Office shall not be responsible for wrong adjustment of fees if correct and complete particulars are not given in the receipt.

Students who migrate from any other college to a University Teaching Department shall pay their tuition and other fees, along with the charges and security from the succeeding month in which their migration is sanctioned by the University (in the case of Inter-University Migration, from the month of joining the Department), immediately on migration, after consulting the concerned Assistant Registrar in the University Office. Otherwise they shall not be allowed to attend the classes and their admission shall be held null and void.

Provided that in the case of such an employee who fails in the examination for which he is permitted or whose conduct is reported unsatisfactory or who does not take proper interest in the office work, the concession to him will be discontinued.

3. The sons/daughters of in-service and confirmed employees of the Panjab University be given 50% fee concession in the category of NRI candidates, in all such courses where this concession has already been granted by the Board of Finance/Syndicate/Senate for the sons/daughters of Panjab University employees, with effect from the session 2003-2004. Employment certificate for the purpose be issued by the Head of the Department/Branch concerned for each year of the course.
In case, during the course of study, the employee retires or leaves the service, the concession would be withdrawn for the subsequent years of the course. However, in the case of employees who die in harness before the age of superannuation, the concession would be available up to the age of superannuation.

4. Minor sisters and minor brothers of a member of the University staff living with him will be eligible for fee concession like sons and daughters of a member of the staff, provided the sister or brother is wholly dependent upon the University employee.

5. The wife of a University employee who is not working but is studying in a University College/Department or has enrolled herself with the Department of Correspondence Studies will be granted fee concession as available to sons/daughters and dependent sisters or brothers of an employee.

6. From the examinations of 1988; the refund of examination fee on passing a University examination be granted to all class-B and C employees only, irrespective of the limit of pay.

7. The dependent sons/daughters of retired University employees shall also be entitled to the fee concession on the same basis as admissible to the dependent sons/daughters of in-service University employees.

8. 25% tuition fee concession serving university employees and their wards and also to the Wards of retired university Employees/Wards of college teachers studying in self financing courses.

*(Vide Syndicate Para 17 dated 13.12.2010).*

**Note**: Forms complete in all respects for grant of tuition fee concession on the basis of poverty, brother/sister/daughters/dependents of University Employees should reach the University Office by 15th Sept. for all categories of students. The applications for fee concession received after the due date shall not be entertained. The concessions are available only for one year. All such students shall pay full fee till concession are granted by D.U.I. Non-payments of tuition fees at own shall be treated as ‘Struck off’.

**Guidelines for freeship and tuition fee concession** :

1. The University may provide five per cent of seats freeship for meritorious students belonging to economically weaker sections of the society in all partially Self-Supporting courses/departments running in Panjab University/Institutes/Regional Centres of the Panjab University.

2. Freeship would mean (tuition fee+Lab. charges) concession only, not to be claimed by students as a matter of right.

3. At the first instance, the concerned Board of Control/Coordinator shall fill all the sanctioned seats by following the normal admission procedure.

4. The concerned Board of Control/Co-ordinators shall list out the candidates who are eligible for freeship concession.
5. For the purpose of the above concession, candidates must have passed the qualifying examination in the first class (60 per cent marks-proof to be added) and the total family income from all sources not exceed Rs. One lac per year. For proof of family income from all sources should not exceed Rs. One lac per year, the income certificate shall be accepted when issued by the competent authority which shall mean the Tehsildar, SDM or the employer as the case may be. In addition an affidavit duly attested by a Magistrate, giving full details of total family income should be submitted. Candidates holding yellow cards/yellow ration cards would be given preference over other candidates provided other merit conditions remained the same.

6. For continuation of the freeship granted to students during the first year of admission to a course, the following rider be imposed:

“The freeship will be continued in the subsequent years only if the student passes the previous examination with a minimum of 60 percent marks in the aggregate for science students and 55 percent marks for students in departments other than science. The student should have passed the examination in first attempt i.e. should not have a reappear or compartment.” Photocopy of lower examination passed detail marks certificate may enclosed with the refund form.

7. Those students whom intend to seek the concession must enclose all the relevant documents along with the admission/counseling form so that cases be decided right at the time of admission. They are further requied to submit an affidavit along with the admission form that if any document is found to be false or any information found to be concealed their admission will be cancelled.

8. Seats equal to the number of candidates who have been given shall be filled up over and above the sactioned seats of the concerned course in the same/subsequent counseling following the original merit list of general category.

9. On shifting from one Course to another, a student, if provided tuition fee concession in the previous Course, will be entitled to claim the said concession in the latter course only if the said concession is available in the latter course.

Note: That the time period for applying refund of fee by the students be fixed up to 30th November and refund application alongwith requisite document must reach the ARA-II office by the 15th December from the Department/Institution.

(5) **A New Corpus ‘Merit-cum-Poor Student Loan Scheme’**.

Grant of ‘Merit–cum-Poor Student Loan Scheme’ in self financing courses.

The Syndicate at its meeting held on 30-1-2010 vide Paragraph 27 had approved :-

“That a sum of Rs. one crore be sanctioned out of the interest earned on the fund ‘Foundation for Higher Education & Research Account’ to constitute a new corpus ‘Merit–cum-Poor Student Loan Scheme’ in self financing courses for providing soft loan to the financially weaker and meritorious students w.e.f. November 2010”.

Accordingly, the benefit is to be extended to the students who fulfill the following conditions :-

**INSTITUTION OF A CORPUS FOR MERITORIOUS AND NEEDY STUDENTS IN THE SELF FINANCING COURSES**:

The education loan subsidy may be given on the basis of merit-cum-mean basis out of the interest earned on the Corpus of Rs. one crore to the students who have taken education loan from any nationalized bank for undertaking Graduate/Post-Graduate self financing courses in the University as per following guidelines :-

1. The amount of education loan subsidy shall be Rs. 16,000/- per annum per student for once during the course. **The maximum number of students shall be 50 in a year.** This amount has been recommended on the basis of present return on the Corpus. It shall be reviewed on yearly basis.

2. The income limit to be eligible to qualify for receiving education loan subsidy under this scheme shall be Rs. 1.5 lacs family income per annum. In case of less number of candidates, the income limit may be increased to Rs. 2.50 lacs.

3. The education loan subsidy shall be disbursed at the end of the academic year after the declaration of result to those students who secured 60% marks.

4. This subsidy shall be disbursed on the basis of a certificate from the nationalized bank from where the student has taken education loan. The subsidy would be towards the principal amount of the loan and the amount of subsidy shall be paid to the bank directly.

5. The students claiming subsidy under this scheme should not have taken any other scholarship or assistance from any other agency for that course. In this regard an undertaking shall be obtained from the student.

The students who fulfill the conditions and desirous to avail the said loan subsidy may apply for the purpose on the prescribed Proforma. The said application should reach in the office of the Assistant Registrar Account-II, Panjab University, Chandigarh latest by 15th Sept. 2011. UNIVERSITY INSTITUTE OF EMERGING AREAS IN SOCIAL SCIENCES

Rationale of the Institute

Panjab University from time to time has been responding to the changing societal needs by introducing new teaching and research programmes. The existing approach to teaching and research in social sciences is highly compartmentalized and is at times inadequate to comprehend the changing contours of socio-economic reality and hence there is need to adopt interdisciplinary approach both in teaching and research. Keeping this in view the Panjab University had set up Centre for Emerging Areas in Social Sciences in the year 2007-08. The Panjab University has elevated the Centre for Emerging Areas in Social Sciences to University Institute of Emerging Areas in Social Sciences from the year 2010. The Institute presently is running three independent Centres :

(i) Centre for Social Work
(ii) Centre for Police Administration
(iii) Centre for Human Rights & Duties

Objectives of the Institute :

(i) To integrate social sciences aiming to comprehend social reality in a more comprehensive manner.
(ii) To make teaching and research in social sciences significant, relevant and useful, to the local, regional, national, and global communities.
(iii) To offer job-oriented courses in the emerging areas.
(iv) To meet the challenge of fresh societal needs and skill formation in the light of fast changing socio-economic environment.
(v) To undertake training programmes in the emerging areas.
(vi) To undertake consultancy work.

The unique features of the courses comprise the following:

(a) Innovative
(b) Inter-disciplinary
(c) Blending of Theory and Practice
(d) Job oriented

(i) CENTRE FOR SOCIAL WORK

Course Offered:

(iii) CENTRE FOR HUMAN RIGHTS AND DUTIES

About the Centre

The Human Rights and Duties wing set up in 2007 has been transformed into an individual Centre during the third year of its inception. It introduces human rights education as an independent and integrated social science discipline. The Centre has been instituted with the intent to familiarize and sensitize more and more people in society towards human rights issues and to assign due importance to duties. As a part of that drive, it organizes seminars and outreach programs. The Centre played a key role in the International Conference on Human Rights organized by the University, in February 2010.

Offering masters’ program in Human Rights and Duties to the graduates of any discipline of study, the Centre gives practical shape to the University idea of widening students’ choice of study at the post graduate level. It facilitates students’ internship with the Punjab State Human Rights Commission and the National Human Rights Commission. Some of the students interned with both the commissions and attended the Study Session at the International Institute of Human Rights, Strasbourg. The formal instructional mode is combined with field based experience at the grass roots level to explore violations, observance and enjoyment of human rights; critique conventional understanding of human rights and suggest effective ways to talk and write about human rights issues. The Centre carries forward the national agenda to generate deeper understanding of human rights issues. It helps build up alert, informed and responsible citizenry to take up career avenues at governmental, inter-governmental and non-governmental platforms in addition to the corporate world and developmental journalism.

Taking a leap forward, the Centre has introduced Ph.D in the subject from the academic session 2010–11.

Rules for Admission/Eligibility

Important: Candidates desirous of applying for admission to University Teaching Department for the session 2011-2012 can download admission form from P.U. Website www.puchd.ac.in free of cost. However, those finally admitted will be charged cost of admission form along with admission fee.

Extracts from the decision of the Syndicate dated 22.2.2006 (Para 34), are reproduced below:

The criterion of ‘employment’ as a condition of eligibility for admission to the Department of Evening Studies be understood, interpreted and applied liberally and pragmatically, keeping in mind the social purpose of providing opportunity especially to the underprivileged to upgrade their skills. Accordingly, ‘employment’ would include not only ‘private employment of any kind’ but self-employment as well. The candidate’s own certificate that he is so employed or self-employed would, therefore, suffice.

Note: No ‘Failed’ candidate shall be admitted. (The students whose admission forms were duly sent by the Department to the Controller of Examinations for appearing in the examination, but did not appear, or dropped the paper, will also be considered ‘failed’ students under University Rules).

Eligibility for Admission:

The eligibility conditions for admission to M.A. Part I are given in the general section of this Handbook. Students are, however, advised to consult the ‘University Calendar’ for relevant regulation or detailed ‘Syllabus, Courses and Regulation’ for the class/subject concerned.
The following are not eligible for admission to M.A. courses in the Faculties of Arts and Languages:

(a) If a student fails to pass M.A. Part/Semester-I or fails to appear in the examination even though he/she had requisite attendance, he/she be not allowed to seek re-admission in the Department for M.A. Part/Semester-I in the same subject. Such a student can appear in the same examination as a private candidate as prescribed under the University regulation;

(b) If a student fail to meet the prescribed attendance requirement, and is, therefore, debarred from sitting in the examination, or does not on his/her own volition seek permission to sit in the examination he/she should be deemed to have failed in the examination. Such a student be not allowed to seek re-admission in the same Department;

(c) If a student fail to earn promotion to the M.A. Part II or to the next Semester of M.A for any of the reasons specified in Paras (a) and (b) above for two successive years, in the same or two different Departments, he/she should be debarred from seeking admission in any Department in the Faculties of Arts and Languages for the next two years.

(d) In order to ensure the implementation of the above conditions, the columns given in the Admission form, seeking information from the applicant on the courses attended by him/her in the preceding three years must be filled by him/her.

If he/she leaves these columns blank, the admission form will be rendered invalid and if he/she makes mis-statement or conceals relevant facts, his/her admission will be cancelled even if made.

TUTORIALS AND SEMINARS

(i) Though specific tutorials for Under-graduate as well as Post – Graduate classes, the literature authored by Shakespeare and other eminent writers of English are shown through audio-visual either in the class room or collectively.

(ii) Special Seminars are held on the important topics mentioned in the syllabi and form an integral part of the curriculum.

(iii) Special extension lectures are delivered by eminent scholars.

Ph.D/Research Facilities

The Department faculty provides supervisory facility/research guidance to the eligible candidates for research leading to Ph.D. Degree.

DEPARTMENT OF GANDHIAN STUDIES

About the Department

The Department was established in 1965, initially located in the artistically designed Gandhi Bhawan offering Certificate Course in Gandhian Philosophy, which was upgraded to P.G. Diploma in 1972. At present the teaching work is carried out on the premises of the Department of Gandhian Studies. The library of the department is housed in the Gandhi Bhawan, so are the research scholars’ work tables. The seminars & special lectures are held in the seminar room & auditorium of the Bhawan. The Department started M.Phil. Programme in 1978 and M.A. in Gandhian and Peace Studies in 1984-1985. The Major activity of the department beside teaching, is to encourage research on various aspects of Mahatma Gandhi’s Life Philosophy & Work and other inter-disciplinary subjects.

DEPARTMENT OF PUBLIC ADMINISTRATION

About the Department

The Department of Public Administration was set up in the year 1961. It has the distinction of being one of the oldest departments in the discipline of Public Administration in the country. Since its inception, it has been actively engaged in quality teaching, research, training as well as consultancy in the applied fields of Public Administration.

The Department has excellent infrastructure for academic and research related activities. The Departmental Library possesses more than 2800 books and subscribes to five journals. In addition the Library has many reports of the Central and State governments. The Seminar Room of the Department is well equipped for seminars, lectures and other academic presentations. A well-equipped Computer Lab. With internet facility has been provided for all students, research scholars and the faculty for their research and other academic pursuits. The Department has an Administrative Sciences Society, membership of which is compulsory for all the students. The Society organizes debates, educational tours and other cultural activities.

The success rate of the students qualifying the UGC NET is very high in comparison to the students of other Indian universities in the discipline of Public Administration. The Department has produced more than 131 Ph.D. theses on various facets of the discipline. Majority of the Ph.D. theses are survey-based focusing on the analysis and solutions of practical problems of administration in the Third World. The Department has also undertaken research projects funded by prestigious agencies like Department for International Development (DFID), U.K.; Canadian International development Agency and University Grants Commission.

The alumni of the Department are holding senior positions in the Government of India and State Governments. The Department has, in the past, successfully conducted training programmes for civil servants, executives of public enterprises and other government officials, besides organizing refresher courses and seminars in various aspects of Public Administration from time to time.

M.A. Programme

Eligibility for admission to M.A. Semester-I is given in general section of this Handbook. Depending on the availability of seats and the rules in force admission to M.A. Semester-III to candidates from the University School of Open Learning/affiliated Colleges of Panjab University may also be allowed by the Board of Control.

Guidelines for admission to M.A. (Public Administration) for the candidates who have studied the related Social Sciences i.e. Economics, Political Science, Sociology, and Psychology at the graduation level, for filling five seats under this category.

The merit of the candidates admitted under this category shall be calculated by adding the marks secured in any of the four social sciences i.e. Economics, Political Science, Sociology, and Psychology in B.A. I, II & III to the aggregate score at the graduation level. Due weightage for Honours in these social sciences shall be given to the candidate to be admitted under this category also.

There shall be three merit lists: First, consisting of those candidates who did their B.A. with the subject of Public Administration; the Second of those who have not studied the subject at the undergraduate level. The first merit list shall be taken up first for admitting the students to M.A. Programme and the second one after the first merit list is exhausted.

* Foreign Nationals/NRI.

** Out of the total, 5 seats will be offered to the candidates who have studied related social sciences i.e. Economics, Political Science, Sociology, and Psychology at the graduation level. (Guidelines for admission to these seats are given below).

*** Reserved for the permanent teachers of affiliated colleges.
The Third Merit List will be prepared for filling five seats reserved exclusively for the candidates who have studied related social sciences i.e. Economics, Political Science, Sociology, and Psychology at the graduation level. The reservation rules will apply to this category also. In case there are vacant seats under this category, these seats on merit basis will be filled from the first and second merit lists.

The M.A. Programme in Public Administration (Semester System) has three main features:

1. It is job-oriented.
2. It is multi-disciplinary
3. The curriculum integrates theoretical and practical perspectives in the field of Public Administration. In Semester-I & II, the courses are common for all whereas in Semester-III & IV, students are given a choice of specializing in various functional areas of Public Administration. The sequence of courses has been scientifically planned in such a way that they constitute building-blocks for four groups of specialization. The specialized groups which are allocated in Semesters III & IV are as under:

<table>
<thead>
<tr>
<th>Group</th>
<th>Specialization</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>

</tr>
<tr>
<td>C</td>
<td>Human Resource Management (with special reference to India)</td>
</tr>
<tr>
<td>D</td>
<td>Administrative Management (with special reference to India)</td>
</tr>
</tbody>
</table>

At least 10 seats are allocated to each group. The remaining seats are allocated to various groups in proportion to the number of applications in each group. The allocation to various groups is on the basis of merit-cum-preference. The groups for Semesters III & IV are allocated to the students by the Board of Control in Public Administration well before the commencement of Semester-III.

Thrust Areas

The thrust areas in the subject of Public Administration are – Public Policy, Administrative Theory, Human Resource, Financial, Social and Economic Administration. Apart from these, the areas of research and teaching include Development Administration; Health, Education, and Public Enterprise Management. The students are also exposed to Computer Applications.

DEPARTMENT OF SOCIOLOGY

About the Department

The Department of Sociology, Panjab University was established in 1960. It is located in Arts Block-IV on the University Campus in Chandigarh. For its academic and research excellence, the University Grants Commission (UGC) recognized it for Special Assistance Program (SAP) in 1977 of which has successfully completed four phases. In April 2007 the department was upgraded as a Centre of Advanced Study (CAS) by the UGC.

The Department has teaching and research programs for M.A., M.Phil. and Ph.D. levels. It offers a wide spectrum of specialized courses, along with optional courses in its curriculum in order to equip M.A. students to pursue specialization in areas of their interest. Course curriculum has both academic, as well as, societal relevance and incorporates contemporary debates on various aspects like Development, Gender, Population, Urban, Agrarian, Environment, Labour, Entrepreneurship, Industry, Family, Media and Deviance. Students are also equipped with a strong base in Research Methodology, through course work and field studies.

The Department of Sociology has a very long tradition for regularly holding Regional, National and International seminars, workshops and symposia. For the last 50 years continuously, the ‘Wednesday Seminar’ has been hallmark of the Department bringing together scholars, professionals and social activists interested in sociologically relevant issues as initiators of discussions.

Faculty of the department, besides teaching and research in Sociology is also engaged in delivering extension lectures and guest lectures in various Universities and organizations. Apart from Research Projects of academic nature, the faculty members have also been involved in various Policy/Program Support Research Projects from time to time.

Scholars from other countries pursue for their Degree programs in the department at all levels. At any given point of time about half a dozen research scholars from different countries pursue for their Ph.D. program in the Department.

Doctor of Philosophy

The Centre provides instructions and research guidance for a Doctoral degree. Eligibility for admission to Ph.D. programme is according to prescribed Regulations that may be consulted.

What will this discipline get you? It will help in getting jobs in the fields of Government in Development Sector, World Bank Projects, United Nations Agencies, Human Rights Agencies, Multinational Companies, NGOs, Welfare Organisations… and many more. International NGOs, such as Oxfam, specialised agencies of the UN, Voluntary organisations such as The Hunger Project, require gender specialisation along with skills in making proposals, monitoring, evaluation and reporting as well as understanding of development issues in the region. The Department-cum-Centre, through its teaching programme not only sensitises the students to gender issues and attempts to ensure a commitment to the empowerment of women but also provides training in all the above skills through its curricula. The emphasis is on practical skill training in Project formulation, designing, monitoring, budget formulation and analysis and research training normally given in Research degree courses such as M.Phil. Most significantly, the course is multidisciplinary, which stands the students in good stead in any field of activity which they may decide to pursue, whether development, law, human rights or planning.

MA: COMMUNITY EDUCATION & DEVELOPMENT

Objectives of the course:

Community Education is an interdisciplinary course which would enable the students to understand the issue pertaining to the community development at the national as well as the global level. The basic idea behind this course is to make the students aware about the different facets of community life, theoretically as well as practically. Community Education and Development as an independent discipline evolves from the realms of education and social science that caters to the socially marginalized, poor deprived and disadvantaged sections through experts trained for the purpose. Imparting training and building human resources is the need of the hour for the overall development of the society by having partnership with state, civil society and NGOs etc in an effort to bring all sections of society under the umbrella of community education and development.

Within this perspective the department undertakes two year Masters Degree course in Community Education and Development which includes Education, Practice and Community for preparing the students to work with individuals, institutions state government, multinational companies, groups in different community setting. The vision of the course lies in the ethos of community learning, concerns and context. It is intended to develop potential among the takers of this course to get employment in educational institutions as counselors, facilitators in government and non-government organizations, public health educators, advocacy, human rights and institutions devoted to the upliftment of the community.

3. SCHOOL OF FINE ARTS & PERFORMING ARTS

DEPARTMENT OF ARTS HISTORY AND VISUAL ARTS

About the Department

The Department of Arts History and Visual Arts was established in 1962. The Department has made significant contributions in the field of art history in a regular academic curriculum.

Teaching in the department is carried out through audio visual materials like slides, film shows, demonstration by artists etc. In the library of the department, there are more than 15,000 slides of which the most important part is that of the slides acquired from the American Committee of South Asian Art (ACSAA), U.S.A.

The Museum of Fine Arts was opened in 1968. Significant collection of contemporary Indian Art with practically every Indian painter, sculptor and print maker are represented in it. A regular programme of exhibitions alongwith demonstrations and learned lectures has made the museum a singular focus of art activity in the region.

Research Facility

The department offers facilities of departmental library and infrastructure to regular research scholars for their research leading to Ph.D. degree in various aspects of Music and Musicology. The department offer facilities for inter disciplinary research also.

Workshops and Seminars

The department organizes workshops and seminars to expose the students to various innovations, new trends and emerging areas in the respective fields.

Public Performances

Students get opportunities to participate in public performances and conferences at regional and national levels. Students are given opportunity to perform in the University Functions namely Republic Day celebrations, Independence Day celebration and Convocation etc.

Scholarships

Some merit scholarships are offered to the students of M.A., M.Phil. & Ph.D. Special Scholarships for S. C. candidates, poverty and deserving candidates.

Awards

1. Pt. Dr. Lal Mani Mishra award to the topper of M.A. II (Instrumental) Music
2. Pt. Tejpal Singh Bandu award to the topper of University M.A. II Music (Vocal)
UNIVERSITY INSTITUTE OF FASHION TECHNOLOGY
AND
VOCAITIONAL DEVELOPMENT

About the Institute

University Institute of Fashion Technology and Vocational Development is an in – Campus Institute, established by the Panjab University, Chandigarh in 2007 as a commitment to carry forward its goal of providing trained professionals for the fast growing Fashion, Apparel and Textile Industry in the region in particular and the country in general.

UIFT & VD presently offers a prestigious Five Year Integrated B.Sc and M.Sc Degree in Fashion and Lifestyle Technology. The Program laid out in semester system focuses on self sustaining education and training.

First three years of the course comprise of Foundation and Core Studies of which sixth semester entails Industrial Training with an option for an Industry/Design Project. The students will be awarded a B.Sc. Degree in Fashion & Lifestyle Technology at this stage.

Two years spent in M.Sc. Fashion & Lifestyle Technology have the students undergo extensive specialized project based study related to organizing and management of a Fashion and Lifestyle enterprise. Design Collection/Research Project/Craft based Project is a part of the Post Graduation Program.

Lateral entry in the M.Sc. course is permitted if there are any seats left vacant due to dropping out of students after attaining B.Sc. Degree.

Highly trained and experienced faculty is involved in giving intensive theoretical and practical inputs and the students are being assisted in task based studies to develop their skills to face the challenging requirements of the Fashion Industry.

To move into the global main stream of intense economic competition and reckoning with requirements of India’s fashion industry in totality, the Department is liaising with fashion related organizations for training of the students to help them to develop skills in handling latest technology. Regular interaction with design studios, production and distribution centers community projects, retail establishments and industry forms a vital bridge between University institute of Fashion Technology and the world.

UIFT is in the process of setting up its “intelligent building” complete with laboratories, an amphitheater and resource center outfitted with state of the art equipment for hand on experience of the students. The vision is to create the finest institution in the country in all aspects and terms.

2. A person, who has passed B.Sc. (Fashion Designing) examination with at least 50% marks in the aggregate from Panjab University, Chandigarh or an examination from any other University recognized as equivalent thereto, shall be eligible for entrance examination for lateral entry into the course.

3. Entrance test and Interview will be held to assess the skill of the students seeking admission as lateral entry candidates. (Not applicable for the students of the B.Sc. Fashion and Lifestyle Technology, Panjab University).

4. Distribution of marks for preparation of merit of lateral entry candidates shall be as under:

   - (a) Weightage to Qualifying Examinations: 30%
   - (b) Weightage to Entrance Test: 50%
   - (c) Weightage to Interview: 20%

5. Students seeking lateral entry shall be to score at least 60% marks in the entrance test to be eligible for admission.

4. SCHOOL OF PHYSICAL SCIENCES
DEPARTMENT OF CHEMISTRY

About the Department

Founded by Dr. S.S. Bhatnagar at Lahore in 1925, the department of Chemistry is one of the prestigious department of Panjab University. It has on its faculty highly competent members whose work has been internationally recognized. Several faculty members are recipients of awards and honours, such as Shanti Swarup Bhatnagar, Jawaharlal Nehru Fellowship, Raman and Palit awards. Many faculty members are bestowed with F.N.A., F.A.Sc., F.N.A.Sc. The department has been selected by the UGC first for COSIST and Special Assistance Programme (SAP) and it is the Centre for Advanced Studies in Chemistry (CAS) for the last 16 years. The Department of Science and Technology (DST), Government of India has accorded it the status of “DST-FIST Supported Department”. The department has stimulating undergraduate and postgraduate teaching programmes. Frequent symposia, summer institutes, refresher and orientation courses have been organized for the benefit of University, College and School teachers and talented students. The department has good instrumental facilities and its library is perhaps one of the best in Northern India with its excellent collection of books, research journals and monographs. The department is well-known for its research activities and has very well equipped research laboratories.

**DEPARTMENT OF COMPUTER SCIENCE AND APPLICATIONS**

**About the Department**

The Computer Culture at the Panjab University dates back to 1966. An independent Centre for Computer Science and Applications (now a full fledged department) was set-up in 1983. The Department aims at ingraining the spirit of ingenuity, innovativeness and technical competence in the students through rigorous competition and regular guidance. The department also caters to the need of users in the region and organizes training programs for teaching and research communities.

Panjab University has been identified as a Level-III National High Performance Computing Centre under the ICOSER project of TIFAC, Department of Science and Technology. It is among the Seven such Centres being set up around the country and is the only one in Northern India. The Department of Computer Science and Applications is hosting facilities like Web Server, E-mail Server, Domain Name Servers and Proxy Servers for Panjab University. Wide Area Network connectivity is also provided 2 Mbps through ERNET and 12 Mbps through Reliance Infrastructure.

Thrust Areas

The students at the Department have the unique opportunity of working in various development environments like MS-DOS, LINUX, MS Windows, Sun Solaris and HP-Unix. The students also have the opportunity to use Internet development tools among other Visual and Non-Visual ones. They can also perform parallel programming using multiprocessor machines.

*For candidates who have studied computer as one of the subjects for three years/or subject as a full course at the undergraduate level.
DEPARTMENT OF GEOLOGY
AND
CENTRE OF ADVANCED STUDY IN GEOLOGY
(COSIST DEPARTMENT)

About the Department

Established in 1958 by Late Prof. M.R. Sahni the department was upgraded to the status of Centre of Advanced Study in 1963-64 in Himalayan Geology and Paleontology. In 1986 it received COSIST Grants for improvement in infrastructure facilities in the Thrust areas of Geochemistry and Exploration Geology. In recent years of research and teaching, Environmental Geology, Quaternary Geology & Hydrogeology were included in the thrust areas. The Department has been allocated Rs. 90 lacs. under the FIST Programme of the DST in 2003. In 2006 the Deptt. has received Rs. 98.25 lacs under CAS scheme of the UGC.

It is only the Advanced Centre in the Country under the Special Assistance Programme of the UGC. The Department has a large collection of fossils, rocks and minerals housed in its Museum. Under the FIST programme of DST the department have a new SEM for research apart from funds for Networking and a Jaw Crusher to upgrade its infrastructure facilities. The department has 11 (eleven) (registered/enrolled) research students on its rolls.

**DEPARTMENT OF MATHEMATICS**

*(CAS and DST-FIST Sponsored Department)*

**About the Department**

The Department was established in 1952 at Hoshiarpur and set up at Chandigarh in 1958.

It is one of the best departments of Mathematics of the Indian Universities. It has been recognized as Centre for Advanced Study in Mathematics since 1963 by the U.G.C. The National Board for Higher Mathematics has granted the status of Regional Library to the Library of the Department and support the consortium for the online access to Math. Sci. Net, for which the department is the leading partner. The Department of Science and Technology have sponsored the department for the FIST (level II) programme.

Scholarships for Students

Dr. V.C. Dumir Scholarship for excellence in Mathematics is available for meritorious students of M.Sc. (H.S.) 1st year on the following terms and conditions:

1. The amount of scholarship would be Rs. 1000/- per month for 10 months every year.
2. The scholarship be awarded to a meritorious student of M.Sc. (Honours School) 1st Year studying in the Department of Mathematics, Panjab University, Chandigarh and would be continued to that student for M.Sc. (Honours School) 2nd Year after examining his/her performance.
3. If that student is found to be ineligible to continue the scholarship in 2nd Year, it will be awarded to another deserving student of M.Sc. (Honours School) 2nd Year.
Smt. Balwant Kaur and Shri Dhanpat Roy Bahl Scholarship of the value of Rs.1400/- per annum is available for meritorious and deserving post graduate student of the Department of Mathematics. Professor Hans Raj Memorial Scholarship of the value of Rs.1500/- per annum is available for meritorious student of B.Sc. (H.S) First Year.

P.C. Wadhwa Scholarship for a student of M.Sc. (H.S.) Mathematics-Part-II on the following terms and conditions:

1. The amount of scholarship would be @ Rs. 500/- per month for 10 months every year.
2. Secures atleast 60% marks in M.Sc. Part-I examination; and
3. Is NEEDY in view of the FINANCIAL POSITION of the FAMILY he comes from as determined by the University Authorities.

DEPARTMENT OF PHYSICS

About The Department

The Department of Physics was established in 1947, in Govt. College, Hoshiarpur (Pb.). In August 1958, the Department was shifted to the present campus.

The Department received grants under the UGC COSIP (College Science Improvement Programme) from 1977-83, SAP (Special Assistance Programme) from 1980-88 and COSIST (Committee on Strengthening of Infrastructure in Science and Technology) from 1984-91. Since 1988, it has been accorded the status of a Centre of Advanced Study (CAS) by UGC with three major thrust areas: Particle Physics, Nuclear Physics and Solid State Physics - a unique achievement. At present the department has the strength of 27 faculty members, two Emeritus Professors, two Emeritus Fellows, Ramanna Fellow and 46 assisting staff. There are about 75 research students and about 235 B.Sc. (Hons. School), M.Sc. (Hons. School), Post M.Sc. Course in Accelerator Physics and M.Sc. Medical Physics students on the rolls of the department.

Department has also started two self-financed courses from 2008-2009. B.Sc. (H.S.) Physics-Electronics; M.Sc. (H.S.) Physics-Electronics. About 300 B.Sc. (Hons. School) students of other departments study Physics as a subsidiary subject.

The faculty members have been honoured with Meghnad Saha Award, Goyal Prize (Kurukshetra University), Sir C.V. Raman Award, Hari Om Trust Award, Mercator Professorship, Homi Bhabha Fellowship, Emeritus Scientistships, Ramanna Fellowship, S. N. Satya Murthi Young Scientist Award and DAE Young Scientist Award. They have been elected for Indian Academy of Sciences fellowship, Joliot Curie fellowship, Alexander V on Humboldt fellowships, DFG (German Research Society) Fellowship, UNESCO/IAEA Fellowship, WE-Heraeus Fellowship, Heinrich Hertz Foundation fellowship, Fulbright fellowship, Commonwealth fellowship, Third World Academy of Sciences fellowships and UGC National Lecturer Fellowship awards. The Department had the honour of having Professor Yash Pal, former UGC Chairman on its faculty. Professor K.N. Pathak, was Vice-Chancellor, Panjab University, Chandigarh from July, 2000 to July, 2006 and Prof. S. Prakash, Vice Chancellor, Jivaji University, Gwalior from Feb., 2001 to Nov., 2006.

The Department is having research collaboration with institutions like, Royal Military College of Canada, Canada; University of Notre Dame, USA; Fermilab., USA; CERN, Geneva; Bonn University Germany; Chemistry Deptt., City College of New York (CUNY), New York; KEK, Japan; ICTP, Trieste;
Funds to the tune of Rs. 2.10 Crores for infrastructure development have been sanctioned by the Department of Science and Technology under FIST (April 2008 to March 2013) to upgrade teaching and research facility in the Physics Department, Panjab University, Chandigarh. UGC sanctioned 97.50 Lakh under CAS-IV Phase (2008-2013). (30+30+20 Lakh) grant received from UGC under Empowerment of Infrastructure facilities during (2007-2009) period.

The Department of Science & Technology has given technical approval for funding the proposal for establishing Panjab University Accelerator Science Centre (5 MV Tendetron) at P.U., Chandigarh amounting to Rs. 67.5 crore.

Research Facilities

Facilities exist in the Department for research in Nuclear Physics, Photon-Atom Interaction Studies, Particle Physics, Solid State/Condensed Matter Physics, Mass Spectrometry and Geochronology, Laser Spectroscopy and Theoretical Physics, leading to the Ph.D. degree for which at least three years of research work is required after the M.Sc. degree.

Moreover, the department has started two new M.Sc. courses in Nuclear Medicine and Medical Physics jointly with Departments of Bio-physics and Nuclear Medicine and Radiation Therapy, Post Graduate Institute of Medical Education and Research, Chandigarh from the academic session, 2007-08.

Major facilities available in the Department are as follows:

(i) Cyclotron, (ii) High Energy Physics (Experimental set up) for studies connected with Collider Physics at CERN and Fermilab, (iii) Mass Spectrometer, (iv) Equipment for study of electrical properties of semi-conductors, fabrication of thin films, (v) Vacuum Grating Spectrograph; high power Nd. YAG laser etc., (vi) Several Nuclear Spectrometers incorporating detectors like Ge(Li), Na(Ti), Ba F, Si(Li), HPGe etc. and modern electronics, (vii) Analysis set up of Ultra relativistic heavy ions in CERN, (viii) Computational facilities for theoretical studies for modelling physical problems including simulations, (ix) Energy dispersive X-ray fluorescence spectrometers using radioactive exciter sources and X-ray tube for material analysis, (x) Facilities for PAC/PAD studies of Hyperfine Interactions, STM.

The department houses IAPT office and actively leads in IAPT, IPA activities.

An 11 inch Telescope is to be installed soon in the department as a part of Teaching Program.

Eligibility : Bachelor’s Degree in any discipline with at least 50% marks from recognized University/Institute.

**Admission and Scheme of Entrance Test**

The admission will take place on the basis of merit drawn through an entrance test. The entrance test will comprise 75 questions on basic and current awareness in environment science, social science, health science and 25 questions on biological science. So there will be 100 multiple choice questions to be attempted in 90 minutes. There will be negative marking as per CET rules.

*In case of non-availability of in-service candidates the seats will be converted into general category.

CENTRE FOR MEDICAL PHYSICS

About the Centre

Medical Physics is an established clinical speciality with wide ranging application in Radiotherapy Planning and treatment. It can be defined as embracing all applications of radioactive sources in the treatment of cancerous and non cancerous disease. The student of Medical Physics also gains knowledge about different equipments use in Radiotherapy planning and treatment and their quality assurances. There is ample scope of research in area of medical physics, the student will also be imparted to training and teach. Therefore, Medical Physics syllabus has been prepared in such a way that it will make the student a good clinical physicist, researcher and a teacher after qualifying this course.

As this is a specialized branch of medicine and is multidisciplinary in nature, it requires skilled / trained manpower.

Aims and Objectives

The postgraduate training program is aimed at developing skilled technical manpower in Medical Physics. They should be able to demonstrate high standards of professional skills, competence/leadership qualities.

Faculty :

- Professor : A. K. Bhati (Co-ordinator)
- Assistant Professor : Vivek Kumar

Duration of Course

The M.Sc. Medical Physics shall be of two years duration followed by one year Internship programme. The students shall undergo one year internship in the Radiation Therapy Department of PGIMER (Chandigarh) and dissertation should be submitted in that year instead of second year.

No. of Seats

General seats = 8
NRI = 02
Total seats = 10
Admission Criteria

Eligibility/Qualification:

Admission to M.Sc. Course in Medical Physics will be B.Sc. first class with Physics as one of the core subject from a recognized University.

Admission:

Admission will be made on the basis of O-CET-2011. The entrance test paper will be the same as that for the admission to M.Sc. (H.S.) in Physics. While deciding the final merit of the entrance test, a weightage shall be given to the B.Sc. marks obtained by the candidate, as per university rules.

Syllabus

The broad outlines of the course are annexed and had been prepared keeping in view the guidelines/requirements of AERB, BARC, Mumbai.

Teaching and Training

The Panjab University departments (Departments of Physics & Biophysics) and the Department of Radiotherapy of PGIMER shall impart the teaching and training to the students jointly. However, few other departments of these Institutes may also be involved in this teaching programme.

First year of the teaching/training will be mainly in the Panjab University in the departments of Physics & Biophysics.

Second year of the teaching and the clinical training shall be mainly in the Department of Radiotherapy at PGIMER, Chandigarh.

Dissertation

Every student shall be allotted a project under a supervisor during internship in the beginning of the third year and will be carried out in the Radiotherapy Department of PGIMER, Chandigarh.

Assessment and Evaluation

In addition to regular internal assessment, theory and practical examinations will be held at the end of first and second semesters of each year.

Award of M.Sc. Degree

The candidates shall have to obtain a minimum of 50% marks in aggregate in theory and 50% marks in aggregate in practicals for the award of M.Sc degree in Medical Physics. The Panjab University, Chandigarh shall award the final degree.

Presently the Centre for Medical Physics is located in the Department of Physics.
NANO-SCIENCE & NANO-TECHNOLOGY

About the Course

The M.Tech. programme in Nano-Science & Nano-Technology was started in the academic session 2005-06 in the University Centre for Instrumentation Micro-electronics (UCIM). In July 2008, the course was placed under the newly formed Centre for Emerging Areas in Science & Technology (CEAST) of the Panjab University. Currently it is Centre for Nanoscience & Nano-technology, under UIEAST. Since then, the Department of Physics has been running it. The course is interdisciplinary in nature and involves the faculty members of several Departments and Institutes of the University, as well as some from the Central Scientific Instrument Organization (CSIO) Chandigarh. The final-year students do their projects in collaboration with industry and reputed laboratories and institutions. The passing out students have found excellent employment/research positions.

Facilities

Specialised instruments for the course are available at the UCIM, Physics Department and other laboratories in various departments of the University.

Faculty:

Course Coordinator: Prof. M.M. Gupta, Department of Physics
Co-coordinator: Er. Gaurav Verma, UIET
Assistant Professor: Dr. Navneet Kaur, Centre for Nanoscience & Nanotechnology
Guest Faculty: Expert faculty from other departments of Uni. are part of this centre.

COURSE SEATS DURATION

Eligibility Conditions

Bachelor’s degree (4-years after 10+2) in Engineering/Technology, i.e. B.E./B.Tech. (in any Branch).

Or

Master’s degree in Physics/Chemistry/Biophysics/Biochemistry/Microbiology/Biotechnology/Nano Science/Electronics with minimum 50% marks in the aggregate.

Admission will be made on the basis of OCET-2011.

Admission and Scheme of Entrance Test

Admission will be made on the basis of marks in the eligibility exam and an entrance test. The duration of the Entrance Test will be 1 hour and 30 minutes. The question paper will consist of 75 multiple choice type questions. The syllabus for this test constitutes the fundamentals of Physics, Chemistry, Mathematics, Biology and Computer applications. The level of the examination will be that of entrance test to undergraduate courses of the University in these subjects.
CENTRE FOR STEM CELL & TISSUE ENGINEERING

About the Centre

The centre offers Two Years (four semester) M.Sc. degree course in Stem Cell & Tissue Engineering. This course was started in 2008 and is intended for graduate students interested in pursuing their careers in the field of stem cell biology. This course will cover the most current knowledge of the principles of stem cell biology, tissue engineering, developmental biology, molecular signaling, genomic, epigenesis non-genomic regulatory pathways, together with immunology, genetics, human anatomy & physiology. The course curriculum has been designed to provide strong emphasis on experimental training to the students. During the first three semesters students will be imparted strong theoretical and practical trainings. In the fourth semester students will be trained to handle the research work related to the field. They will also be trained to write the projects, make presentations in the form of seminars and journal clubs along with the training in the research methodologies. A continuous evaluation will be mandatory for this course. An open system of evaluation both in theory and practical examination will be followed. The centre is located at Pharmacy extension block IIInd floor.

CENTRE FOR MICROBIAL BIOTECHNOLOGY

About the Centre

Keeping in view the enormous importance of microbes in the field of Biotechnology, a new Centre, Centre for Microbial Biotechnology has been started under the University Institute of Emerging Areas in Science and Technology (UIEAST) in the CIL building (top floor) of P.U., Chandigarh. The course is targeted to generate active Industry-Academia Interaction and the syllabus has been designed with active inputs from Biotech industries and scientists of international repute. The course has 20 seats and comprises of four semesters. First three semesters are dedicated to theory and practicals. The fourth semester comprises of a research project, course on research methodology and seminars. For details please consult P.U. website (www.puchd.ac.in). The faculty is very active in research and has collaborations with other institutes and has been awarded patents. This course also envisages to have international collaborations in the area of teaching and research and will organize a national/international conference/seminar/symposium/workshop every year so as to expose the students to the latest developments in the field of Microbial Biotechnology. The students are encouraged to participate in Biotechnology related activities in and around Chandigarh. The course received tremendous response from the students in all the three years.

Mode of admission

O-CET Entrance Test (50%) + Total aggregate of marks obtained at B.Sc./B.Tech/B.E. level (50%).

Fee Structure

Tuition fee Rs. 20,000 per semester + Laboratory charges Rs. 15,000 per semester + other university charges.

Scheme of test

The question paper will be based on the fundamentals of Microbiology and Biotechnology taught at undergraduate level. It will consist of 75 Objective type questions (Multiple Choice with four responses i.e. A,B,C and D) carrying a total of 75 marks. The question paper will be of 1 hour and 30 minutes duration.

Criteria for admission to Ph.D.

Admission for Ph.D. will be through Ph.D. entrance test conducted by the Panjab University, Chandigarh.
About the Centre

Nuclear medicine is the medical specialty concerned with the use of safe and small amounts of radioactive materials for diagnostic, therapeutic, and research purposes. More specifically, nuclear medicine is a part of molecular imaging because it produces images which reflect biological processes that take place at the cellular and subcellular levels. A typical nuclear medicine study involves the administration of a radionuclide into the body in order to obtain images of the organs, to perform various body function studies and to treat diseases. Most of the radionuclides used for diagnostic studies emit gamma rays, while the cell-damaging properties of beta particles are used in therapeutic applications. Radionuclides for use in nuclear medicine are derived either from nuclear reactors which produce radioisotopes with longer half-lives, or from cyclotrons/generators which produce radioisotopes with shorter half-lives.

Radioisotopes/Radiopharmaceuticals have affinities for specific organs, bones, or tissues and emit gamma rays that can be detected externally by scintillation cameras. Images are created by computers and provide data and information about the areas of the body being viewed.

Nuclear medicine imaging techniques combine the use of radioactive substances, detectors, and computers to provide functional images inside the human body by using advanced techniques like Positron Emission Tomography (PET) and Single Photon Emission Computed Tomography (SPECT). Nuclear medicine imaging is useful for detecting tumors, irregular or inadequate blood flow to various tissues, blood cell disorders and inadequate functioning of organs. During diagnostic procedures, the patient experiences little or no discomfort and the radiation dose delivered is very small.

Nuclear medicine technical experts are highly skilled individuals and their responsibilities include performing in vivo, radiation safety and quality control procedures. Other responsibilities which include operating the cameras that create images including patient positioning and processing the data for research purposes. The discipline of nuclear medicine also produces dedicated scientists who develop radiopharmaceuticals/radioisotopes for the imaging/therapies of organs.

CENTRE FOR SYSTEM BIOLOGY & BIOINFORMATICS

About the Centre

The emerging field of computational and systems biology represents an integration of concepts and ideas from the biological sciences, engineering disciplines, and computer science. Systems modeling and design are well established in engineering disciplines but are relatively new to biology. Advances in computational and systems biology require multidisciplinary teams with skill in applying principles and tools from engineering and computer science to solve problems in biology and medicine.

The curriculum of the 2 year M.Sc. course of System Biology and Bioinformatics has a strong emphasis on foundational material to encourage students to become creators of future tools and technologies, rather than merely practitioners of current approaches. Areas of active research in this field include computational biology and bioinformatics, gene and protein networks, molecular biophysics, instrumentation engineering, cell and tissue engineering, predictive toxicology and metabolic engineering, imaging and image informatics, nanobiology and microsystems, biological design and synthetic biology, neurosystems biology and cancer biology.

CENTRE FOR PETROLEUM AND APPLIED GEOLOGY

About the Centre

M.Sc. Petroleum course was started in the academic session of 2009-2010 at the Centre of Advance Study in Geology, Panjab University. In July, 2010, this course was shifted to the newly created Centre for Petroleum and Applied Geology (U.I.E.A.S.T.). This job oriented course was initiated in order to meet the increasing demands of the Petroleum Industry and academic institutions. The centre is committed to impart specialized teaching, laboratory and field based training to geology students. In order to realize the vision, the faculty at the Centre in collaboration with scientists from Oil and Natural Gas Corporation Ltd., Delta Studies Institute, Andhra University and Directorate General of Hydrocarbon aims to produce professional graduates and Ph.Ds.

Syllabus

The main objective of the first semester syllabus is to teach the students the fundamental aspects of various disciplines of geology, such as stratigraphy and micropalaeontology, which have a direct relevance in petroleum exploration and development. A great deal of emphasis has also been laid on the geological structures and sedimentary environments in this semester. In the second semester, various
techniques in petroleum exploration and development with special emphasis on geo-physics and geo-chemical exploration are taught. This is followed by an introduction to the study of reservoirs. In the third semester, the students are exposed to the topic of reservoirs, well site techniques, production, economics, policy and management, in greater detail. They are also taught about the alternative sources of fuel in this semester. In the final semester the students are expected to undergo placement and attachment training at various oil companies, carry out project work and finally submit their reports.

Faculty

Eligibility: Bachelors degree in Geology from recognized University/Institute with at least 60% marks.

Admission and Scheme of the Entrance Test

The admission will take place as per the O-CET norms, i.e. on the basis of merit drawn through an entrance test (50%) + total aggregate of marks obtained at the B.Sc. level (50%). Entrance test will be conducted by the Centre, will be of 90 minutes and will consist of 75 objective type questions (multiple choice) carrying a total marks of 75. Negative marking will be adopted i.e., 1/4 th of the marks of the question will be deducted for each wrong answer.

Name of the Course: Ph.D.

Duration: 3-5 years

Seats: Subject to availability

Eligibility: UGC/CSIR (NET) and GATE

DEPARTMENT OF STATISTICS
(DST-FIST Sponsored Department)

About the Department

The Department of Statistics was established in 1966 as a part of Mathematics Department and since 1974 it has been an independent Department.

The Department offers M.Sc., M.Phil. and Ph.D. Courses in Statistics. The Department is also upgraded to Department of Special Assistance-II for a period of five years (1-4-2010 to 31-03-2015), and is among one of the active departments in the country carrying out research in the fields of Reliability Theory and Survival Analysis, Multiple Comparison Procedures, Bio-Statistics, Econometrics and Applied Statistics.
Since March 2000, the Department has been identified by the Department of Science and Technology (Government of India) under FIST Programme, keeping in view the research and teaching activities of the Department. The Department has well equipped Computer lab and students are given training on Statistical packages like MINITAB, SPSS, SYSTAT, R, S-PLUS, STATGRAPHICS and SAS. Eminent Statisticians from abroad and within country keep visiting the Department frequently for research collaboration. The faculty members are attending National and International conferences. Interaction with neighbouring industries in the field of process control and with institutes like PGIMER, GMCH, NIPER, IMTECH, etc. for providing consultation to medical doctors and researchers, is another highlight of the Department of Statistics.

*Any other course which the Board of Control may decide to offer.*
Notes:

1. The Board of Control shall decide which papers from the selected module shall be offered in M.Sc. (Statistics).

2. A student shall be required to earn a total of 80 credits to become eligible for the award of M.Sc. (Statistics) degree.

3. A student shall be required to take three core courses in each semester. The composition, duration and the general style of the theory papers in the final examination in each semester will be decided upon by the Board of Control.

4. The mode of conduct of theory/practical examinations in each semester will be decided upon by the Board of Control.

5. In the final examination of the course, which is divided into theory and practical parts, the distribution of the weightage for the practical part will be as follows:
   
   (a) Practical questions (3/5)
   (b) Viva-voce (1/5)
   (c) Record of practical (1/5)

6. The practical marks in course Stat-201: Numerical Analysis and FORTRAN and M-11 Statistical Simulation and Computation will be based entirely on Internal Assessment.

7. In the final examination of the course, which is divided into theory and practical parts, the theory and practical Papers will be treated as independent units for passing in a paper.

8. Evaluation to the extent of 20% of the theory marks in each course will be based on Internal Assessment. Mode of Internal Assessment will be decided by the Board of Control.

Practical and Computer Training Courses

Besides adequate library facilities, the Department also has a well-equipped Computer Laboratory. In the Computer Laboratory there are P-IV Computers, Scanner, Laser and Dot-matrix Printers. Internet facility is available. Students are encouraged to do their practicals using statistical packages like MINITAB, SPSS, SYSTAT, SAS, S-PLUS and MATHEMATICA, SHAZAM, BMDP and STATGRAPHICS. Some computer-based courses in M.Sc (Statistics) are taught through rigorous training on computers using Fortran and C/C++ languages.

Major Thrust Areas:

(i) Reliability Theory and Survival Analysis; (ii) Multiple Comparison Procedures (iii) Biostatistics; (iv) Econometrics and (v) Applied Statistics.
5. SCHOOL OF BASIC BIOLOGICAL SCIENCES
DEPARTMENT OF ANTHROPOLOGY

About the Department

The Department was established in 1960. During the last four decades, the department has not only grown in terms of personnel, equipment, laboratories and library, it has contributed significantly to the furtherance of anthropological teaching and research in the country.

Infrastructure and Laboratories facilities for teaching and research are available in Anthropology, Osteology, Serology and Bio-chemical Anthropology, Palaeoanthropology and Prehistoric Archaeology, Dermatoglyphics, Radiology, Photographic and Sound Recording and Computer. The unique ‘Museum of Man’ in the Department has a Gallery of Fossil Apes, Primates and Man which includes life-size models, and an Ethnographic Gallery which includes items of material culture. The Dewan Bahadur Wali Ram Taneja Gold Medal is awarded annually to the student who stands first with a first division in M.Sc. (H.S.) from the year 2006, Prof. (Dr.) S.R.K. Chopra Memorial Scholarship has been instituted and is awarded to the students who tops B.Sc. (H.S.). Fieldwork is organized by the Department where students are given instructions in the field and research methods and based on empirical work they write dissertations. The department was recognized as one of the centres under U.G.C. Programme of Special Assistance and Departmental Research Support in 1988, this programme is extended upto 2009. The department has also been selected for support under UGC assistance for strengthening of the infrastructure of the Humanities & Social Science (ASIHSS) Programme in Anthropology for a period of five years i.e. 1-4-2005 – 31-3-2010. From 2010-11, the department has been granted FIST–DST and is also a UGC Centre for Advanced Studies in Anthropology. “An oration of award in the name of Prof. S.R.K. Chopra has been instituted”.

DEPARTMENT OF BOTANY

About the Department

The Department of Botany, Panjab University was established in 1919 at Lahore. It shifted to Chandigarh in 1960 from Khalsa College, Amritsar where it had been housed temporarily after partition of the country. The department has grown into a well recognized centre for higher learning and research in structural, functional and evolutionary aspects of plants. In fact, this is the only Botany Department in the country, which has the necessary expertise to attend to all plant groups. The DST-FIST and UGC-SAP sponsored programme to the Department of Botany, over the years has grown into a well-recognized centre for higher learning and research. Some of the major areas of research are: taxonomy, morphology, improvement and propagation of economically important plants, ecology of invasive alien Plants, Physiological upgradation of harvest index of some important crops; stress biology of legumes; identification of eco-friendly herbicides and pesticides; mushroom cultivation; evaluation and conservation of plant biodiversity; and importance of microbes in human welfare. In addition to teaching through modern techniques, seminars, symposia, workshops, invited lectures and Botanical excursions are an integral part of academic programme. The department has a well-stocked Library with nearly 6,600 books and over 60 regular scientific journals. The department also houses an internationally recognized Herbarium (abbreviated as PAN) and a Museum. The P.N. Mehra Botanical Garden, spread over 16 acres of land is one of the better-known botanical gardens attached to any University of the country. The department has been sanctioned grants under Special Assistance Programme UGC-SAP (DRS) (5 years from April 1, 2007 to March 31, 2012). Additionally, the UGC sanctions funds for infrastructural development to the Department from time to time. Besides this many projects are funded by DST, DOEN, UGC, CSIR and a multinational company.

*For in-service Govt. sponsored police personnel.

For the degree of Doctor of Philosophy (Ph.D.) research scholars are primarily those who have cleared NET/CSIR/GATE National Level Tests. The criteria and procedure of selecting research scholars is that they are usually selected directly by the sponsors (UGC/CSIR etc.). The UGC has sanctioned 10 Research fellowships to the Department under its BRS Scheme. The department also has post-doctoral fellows sponsored by the U.G.C., D.B.T., D.S.T. etc.

Scholarships

The students are also eligible for merit scholarships offered by various agencies. These include National Merit Scholarship, Merit Scholarships of the Governments of U.T. Chandigarh, Punjab and Haryana, Panjab University, D.S.W. Scholarship (Need and Need-cum-merit), Financial Assistance to the SC/ST students, Endowment scholarships and the Vice-Chancellor’s stipend.

Thrust Areas

Taxonomy, Morphology, Physiology, Cytology, Plant Biotechnology, Environment Sciences, Plant Biochemistry and Ecology.
DEPARTMENT OF ZOOLOGY

About the Department

Department of Zoology was established at Lahore in 1902 and later on shifted first to Hoshiarpur after the partition of country & then to Chandigarh in July 1960. It is one of the oldest departments of Panjab University. It has highly qualified faculty. The faculty uses latest modes of imparting education to the students. Department organizes talks, seminars, symposia, workshops, field trips and other extra curricular activities to inculcate the interest of Zoology and for overall development of the young students.

The Department, on the basis of its academic and research merit, was adopted by the U.G.C. under its SPECIAL ASSISTANCE PROGRAMME in 1985 in 5 thrust areas namely Cell & Animal Physiology, Aquatic Biology, Cytogenetics, Entomology and Parasitology and COSIST PROGRAMME in 1995. Presently the department has been upgraded to the level of Centre of Advanced Studies (CAS) from April 2007-April 2012 under the thrust area of Biodiversity, Cell and Molecular Biology with a grant of Rs. 78.25 lakhs with recurring and non-recurring funds. The U.G.C. has also provided grants to the Department of Zoology to the tune of Rs. 40 lakhs for improvement of infrastructure.

The Department is running research projects funded by agencies like DST, UGC, CSIR, ICMR and “Ministry of Environment”. Department has a Central laboratory well equipped with sophisticated scientific instruments and audio-visual aids.

The Department has a Computer room with fairly good number of computers for staff and students to avail the facilities of Internet, typing and printing. The Department Library is stocked with highly informative text and reference books and several series of national and international Journals. Recent books and periodicals are regularly added. The Department Museum comprising two sections - Invertebrates and Chordates with very well represented national and regional collection of animals is one of the best in the region/country. The Department is maintaining an Apiary of European honeybees, Apis mellifera which serves as a model to acquaint and encourage the students towards self-employment potential of Applied Zoology. The Department arranges Educational-cum-Marine trip every year for B.Sc. (H.S.) final year students in order to acquaint them with the habitat and distribution of fauna in sea and the coastal areas.

The department has an Alumni Association and a Zoological Society. The faculty and students are members of the society which caters to academic and extra-curricular needs by organising seminars, paper readings, cultural programmes and short educational tours.

### INSTITUTE OF FORENSIC SCIENCE & CRIMINOLOGY

**About the Institute**

The application of science to the law and exploring the body of knowledge regarding delinquency and crime as social phenomena is what comprise the Institute of Forensic Science & Criminology (IFSC). The institute has been incepted by Panjab University from session 2009-2010.

Forensic Science is the diverse collection of scientific techniques. In practice, forensic science is built upon the principles dragged from physics, chemistry, biology, anthropology and other scientific principles and methods. In earlier times real ‘forensic science’ has been assigned to the real science of fingerprints, firearms, tool-marks and questioned documents etc. However, although many of the techniques used in modern forensic sciences have been borrowed from other sciences, it is also true that in recent years, it had matured into a scientific discipline in its own right.

**Criminology** is the development of a body of general and verified principles and of other types of knowledge regarding the process of law, crime and reaction to crime. Criminology is aimed principally at elucidating the connection between crime and the personal characteristics of the offender or his environment, with special reference to the origin of the offence.

The Institute of Forensic Science and Criminology provide a M.Sc. degree to the students covering the realm of forensic sciences and criminology with a desire to put it to maximum use in detecting, investigating and ultimately reducing the crime. Offshoot aim is utilizing scientific power in producing ‘scientific workforce’ to meet the needs of highly technical personnel to serve the society in an effective and efficient way.
Module

The subject is designed to introduce the concepts, disciplines and principles of the forensic sciences in their application to modern forensics. Topics include the history of forensic science, an overview of the commonly utilized scientific disciplines (e.g. forensic biology, odontology, anthropology, toxicology, chemistry, psychology, document examination, ballistics, computer forensic, Voice, image & video analysis and crime scene management etc.), the use and implications of forensic databases, ethical issues and legislation, the skills involved in scientific analysis (observation, interpretation, record keeping, report writing, expert testimony), accreditation procedures and quality assurance.

Scope

There are enough scope for career growth in government and Private Sector in India and abroad. The main employment generating areas of students of forensic sciences in government sector are Law enforcing agencies such as NIA (National Investigation Agency), CBI (Center Bureau of Investigation), IB (Intelligence Bureau), central/state police departments, CFSL (Centre Forensic Science Laboratory), SFSL (State Forensic Science Laboratory), Hospitals, Banks, Universities, Defence/Army, Quality Control Bureau, Narcotics Department, judicial services, forest and wild life departments etc., and in the private sectors are security agencies, Banks, multinationals, Detective Agencies, Media, Insurance Companies consultants in industry & free lance consultants/private practitioner, Law Firms and Hospitals etc.

In addition to the above medical examiner, crime laboratory analyst, fraud Examiner, Environment Analyst, crime scene examiners, Forensic Psychologist, Genetics Experts, forensic engineers are the job prospects in abroad. Forensic Scientists also work for making psychological profiles of offenders by analyzing the crime scene and the crimes committed.

Candidates with M.Sc. in Forensic Science/any other allied discipline who have cleared the all India level test such as UGC/CSIR or ICMR etc. or the Ph.D. entrance examination in the subject of Forensic Science/any other allied discipline conducted by Panjab University are eligible to be enrolled for Ph.D.

Collaboration

Memorandum of Understanding (MoU)

Memorandum of Understanding was signed between Directorate of Forensic Science, Ministry of Home Affairs, Govt. of India and Panjab University for mutually providing and sharing human resources and infrastructure facilities in teaching and research programmes.

Major Strengths

- Real time exposure of the students of the forensic case work.
- Training at CFSLs/SFSLs/CBI.
6. SCHOOL OF MEDICAL & BIOMEDICAL SCIENCES

DEPARTMENT OF BIOCHEMISTRY

About the Department

The Department of Biochemistry was started in 1962 and has since grown steadily and is now recognized as an important centre of research and teaching in the country. Our research-oriented Department provides many opportunities for prospective students who can acquire thorough training and degree in contemporary Biochemistry through our diverse programs such as B.Sc. (Hons. Sch.) and M.Sc. (Hons. Sch.) and Ph.D. programs. Our Department attracts among the very best students and provides an excellent foundation for future professional and research career.

The Department’s research focus is primarily on areas such as Medical, Nutritional Biochemistry & Molecular Biology, Medicinal Biochemistry, Environmental Toxicology, Cancer Biology and Microbial Biochemistry. The Department is in a GROWTH and BUILDING phase, with induction of new faculty, recognition for Funding under FIST program of Department of Science & Technology, Government of India and has purchased new & sophisticated instruments such as Perkin Elmer Lambda-35, Bio-Rad Smartspec™ plus UV-VIS Spectrophotometer, Genway UV-VIS Spectrophotometers, Scintillation Counter, high speed Centrifuges, UV-VIS Spectrophotometers, Ultra filtration unit, PCR thermocycler, Gel.Doc. Lyophilizer, Spectrofluorophotometer HPLC and Ultra Centrifuge for enhancing research facilities.

The opportunities for Ph.D. are varied and designed to provide solid training as an independent research scientist both in an academic and industrial settings. Admissions leading to the Ph.D. degree are administered through Panjab University Ph.D. Entrance Test held every year, however students having cleared NET (UGC-CSIR), ICMR-JRF test are admitted directly in the Ph.D. program. Many of our alumni are occupying important positions in USA and other developed countries in both industry and academics.

DEPARTMENT OF BIOPHYSICS

About the Department

Biophysics has in recent times emerged as an interdisciplinary subject in the Life Sciences and primarily deals with the structure, bioenergetics, dynamics and function of the biomolecules. Over the years, the discipline of biophysics has played a significant role in the growth of areas, which include molecular biophysics, physiological biophysics, medical physics, radiation biophysics, gene and protein engineering. Advances in these areas have paved a way for the designing and development of drugs and medical technologies for the welfare of mankind.

The department of biophysics was established in 1964 and it is the only department, which offers both undergraduate and postgraduate courses in the discipline of Biophysics (Hons. School). The department also offers excellent research opportunities leading to the award of Ph.D. degree. The courses being offered to the three years B.Sc. (Hons. School) and two years M.Sc. (Hons. School) students in Biophysics are planned in a way so as to provide a broad base in the subject and be accepted in the diverse fields of biomedical sciences. Alumni from this department have been suitably employed and many of them have occupied coveted positions in the academic, industry, medical institutions, national laboratories and prestigious research institutions in India and abroad.

Department is conducting M.Sc. Nuclear Medicine with Prof. D. K. Dhawan as Co-ordinators since 2007-2008.

The department has been given special assistance under UGC-SAP program FIST grant under DST program. Both these programs have been extended for Phase-II for the period (2009-2014).

DEPARTMENT OF BIOTECHNOLOGY

About the Department

The Department came into existence as Centre in 1989. In 1994 after obtaining financial aid from UGC and DBT, Govt. of India, it was upgraded to full-fledged Department. The Department is rated as one of the best in India for imparting state of art technology to the students in the field of biotechnology. Most of the students qualify UGC and CSIR entrance test in their first attempt and are admitted to Ph.D. programmes in prestigious research institutions in India. It has developed facilities to provide service to the local population for prenatally diagnosing the disease using conventional and molecular techniques. Most of the faculty members have been trained abroad and are recipient of prestigious national and international awards. The faculty of the department publishes research papers in national and international journals on regular basis. Every year department organizes Workshop/Symposium/Seminar dealing with state of art technologies. Department also organizes BIOTECH. RENDEZVOUS for the students of Schools, Colleges and University. Scientists of international repute are invited to deliver lectures. The department has the distinction of being funded by UGC-SAP (2007-12) and FIST (DST) (2002-07).

Thrust Areas

Molecular Oncology, Microbial Biotechnology, Plant Biotechnology.

DEPARTMENT OF MICROBIOLOGY

About the Department

The Department established in 1964, is one of the oldest and pioneer Department of Microbiology in the country. The department has made a steady progress in teaching and research since its establishment and has been recognized for research by various Government agencies: Department of Biotechnology (DBT), Department of Science & Technology (DST), Ministry of Science & Technology and for Special Assistance Programme by UGC. The department has bagged many research projects from these funding agencies. The graduates from this department are already employed in good positions in various academic, research and industrial organizations at national and international level.

The department has several R&D projects sponsored by various National funding agencies including DBT, DST, CSIR, UGC, and ICMR dealing with various aspects of General and applied Microbiology. The major equipments available in the department include UV-Visible Spectrophotometers, Ultra centrifuge, Refrigerated centrifuge, Ultra deep freezer, orbital shakers, water bath shakers, Protein purification system with fraction collector, electrophoresis equipment, BOD incubators, Gas chromatograph, laboratory Fermenter, Fluorescent Microscope, Sonicator, Transilluminator, Co2 incubators, Micro
centrifuge, Cold Room, PCR machine, Electroporator, ELISA reader, Lyophilizer, Millipore water purification system.

The Department of Biotechnology, Govt. of India, New Delhi has selected this department for assistance for enhancement of research and teaching in the field of Microbial Biotechnology. UGC has selected the Department for Special Assistance Programme (SAP).

Re-employed: R.P. Dikshit Professor

Courses Offered:

B.Sc. (Hons. School):

B.Sc. (Hons. School) course is three years (six semesters) duration course that follows choice based credit system. During this period the students are imparted training in broad areas of Microbiology viz: General and Applied Microbiology Bacterial Systematic, Food, Microbiology, Industrial Microbiology, Environmental Microbiology, Mycology, Parasitology, Virology, Immunochemistry and Immunopathology, Medical Bacteriology, Microbial Physiology, Microbial and Molecular Genetics as a major subjects in Microbiology discipline. Besides this, the students are sent for learning subsidiary subjects in B.Sc. first year: English, Maths, Physics, Chemistry and in B.Sc. second year: Biophysics, Biochemistry, Statistics in respective departments.

In addition, the department offers one year (two semesters) subsidiary course: Introduction to General Microbiology and Introduction of Applied Microbiology to B.Sc. 2nd year students of other departments: Department of Biochemistry and Biophysics.

Admission to B.Sc. (H.S.) Ist year in Microbiology is for 29 open seats and 4 NRI seats. The admission will be on the basis of marks obtained in the Common Entrance Test (Plus admissible weightages, if any) as per University rules for all admissions conducted by the Panjab University in 2010. Only (10+2) medical group pass students with at least 50% marks are eligible for admission.

No direct admission is made to the 2nd or 3rd year of B.Sc. (H.S.).

M.Sc. (Hons. School)

M.Sc. course is of two years (four semesters) duration and follows choice based credit system. M.Sc. (H.S.) students are taught three major courses each in 1st & 2nd semesters and one course in Fundamentals of computer programming and applications in 3rd semester. Project training, Report & Presentation, Seminar presentation and a research project (Thesis) are undertaken in 3rd & 4th semesters.
All the students who have passed the Final B.Sc. III (Hons. School) examination in Microbiology of this University are eligible for admission to the M.Sc. I (Hons. School) course without taking entrance test. In addition the admission is granted against four NRI seats in M.Sc. (Hons. School) 1st year on the basis of entrance test conducted by the University (OCET). No seats are available in general and reserved categories unless the number of students falls below 15. In that case or NRI case students who have passed B.Sc. (Pass or Hons.) examination with 50% marks from Panjab University or a recognized University other than Panjab University with Microbiology as an elective subject for three years are eligible for admission on the basis of entrance test.

Regarding details of courses of study and their structure under Annual System, the syllabus published by the University/notified by the Department may be consulted.

Doctorate Degree:

Facilities exist in the department for research work leading to Ph.D. degree. Requirements for Ph.D. course are (i) M.Sc. (Hons. School) in Microbiology of Panjab University or an equivalent degree from any other University recognized by Panjab University (ii) NET or Panjab University, Microbiology Ph.D. entrance test cleared (iii) Financial support. Research facilities exist in of all branches of Microbiology including Medical Microbiology, Agricultural Microbiology, Food Microbiology, Industrial Microbiology, Medical, Microbiology, Immunology, Environmental Microbiology, Microbial Physiology and Biochemistry and Genetic Engineering and Biotechnology.

Scope

The microbes have vast range of activities from the production of exotic alcoholic beverages to causing deadliest diseases like AIDS, Cancer, tuberculosis. Microorganisms are also responsible for the production and destruction of crops. Micro-organisms are important part of food chain besides being good sources as SCP and probable alternate source of energy. With such wide variety of interaction of Microorganisms with man, animals, plants and food, the scope for a microbiologist is unlimited in teaching, research and industry.

Research Facilities

The major equipment in the laboratories of the department Shimadzu UV- Spectrophotometer, Beckman-Preparative Ultra centrifuge, Refrigerated centrifuge, Shakers, Fraction Collector, Electrophoresis equipment, BOD incubators, Gas Chromatograph and high performance liquid Chromatograph Chemap Fermenter, Fluorescence Microscope, Minibeta Counter, Sonicator, Transilluminator, Co2 incubator, eppendorf centrifuge, cold room facilities, PCR machine, Electroporator, ELISA reader.

Scholarships

The department’s student is eligible on the basis of merit for scholarships offered by Panjab University. In addition, the Council for Scientific and Industrial Research, New Delhi and the UGC offer fellowships to students for Ph.D. Programme on the basis of CSIR/UGC NET. Also, ICMR offers fellowships.

The Department of Biotechnology, Govt. of India, New Delhi has selected this department for assistance for enhancement of research and teaching in the field of Microbial Biotechnology. UGC has selected the department for Special Assistance Program (SAP).
UNIVERSITY INSTITUTE OF PHARMACEUTICAL SCIENCES

About the Institute

The University Institute of Pharmaceutical Sciences (formerly Department of Pharmaceutical Sciences) was established in the pre-independent India at Lahore in 1944 and got re-located on the campus of Panjab University, Chandigarh in 1959. The Institute is one of the prestigious academic organizations of our country, committed to excellence in all the domains of pharmaceutical sciences. More than 1600 research papers, 118 Ph.D’s, 16 books, 35 patents, numerous national and international awards and meritorious recognitions to the faculty by professional bodies are some of the notable accomplishments of the Institute. Three of the faculty members have been elected as National Presidents of the prestigious Indian Pharmaceutical Congress. Also, some of the remarkable discoveries of new medicines have seen the reality of industrial commercialization after their successful technology transfers. The alumni of the Institute occupy highest positions in industry, research organizations and academia in India and abroad.

In recognition to its contributions in research and teaching, the University Grants Commission (UGC) has accorded the highest level of status to the Institute as Centre of Advanced Studies (CAS). The University Institute of Pharmaceutical Sciences is the first University Institution in the country to be granted CAS Status in Pharmaceutical Sciences. In the year 2009, the Institute became one of the two centre’s among all life sciences Institute of the country to serve as UGC Networking Resource Centre to impart training to pharmacy professional in frontier and thrust areas of pharmaceutical education and research.

DR. HARVANSH SINGH JUDGE INSTITUTE OF DENTAL SCIENCES & HOSPITAL

Dr. Harvansh Singh Judge Institute of Dental Sciences & Hospital was established in April, 2006. In view of lack of teaching and research related to field Oral Health, it was in year 2004, the foundation stone was laid by the then Hon’ble Union Minister of Health & Family Welfare, Govt. of India, Dr. Ambumani Ramdoss on 22nd September, 2004.
Institute of Dental Sciences has been established in six acres of land and apart from its own Dental Hospital, a 200 bedded hospital for adequate training and teaching of dental students in clinical medical subjects is in active stage of construction, foundation stone of which was laid by Hon’ble Shri Shiv Raj Patilji on 14-11-2008, then Union Minister for Home Affairs, Govt. of India.

This Institute is committed to impart dental education at undergraduate level initially and subsequently at postgraduate level. It has well equipped laboratories for basic medical and dental subjects and modern theatres. Dental Institute has 17 departments (out of which 9 are dental specialties and 8 medical specialties). It has 202 Dental Chairs & Units, placed in eight different specialty clinics. Four intra oral X-ray units, one OPG/Ceph Machine, two RVGs and one operating microscope are also functional in the Institute. In a short span of almost 5 years, 300-400 patients are being attended to in various specialty clinics every day. Institute has a well-equipped Library with over 2374 books and 30 national and international journals. The general ailments in patients from adjoining areas are also being attended to by faculty in the medical and surgical OPD. Dental Institute also conducts campus in various schools of Chandigarh and adjoining rural areas.

It is presently imparting under-graduate training to 500 BDS students by a dedicated and committed faculty of around 95 members. Institute is approved by Dental Council of India/Ministry of Health & Family Welfare, Govt. of India.

7. SCHOOL OF BUSINESS MANAGEMENT

UNIVERSITY BUSINESS SCHOOL

About the School

University Business School (Formerly Department of Commerce and Business Management) was established in 1962 and has been imparting quality management education to develop dedicated, innovative and effective managers, researchers and teachers for more than 40 years.

In 1995, the Department of Commerce and Business Management was renamed as University Business School by the Panjab University in recognition of its completeness and maturity with a view to giving it a distinct identity.

The concept of a School symbolises a School of Thought. The philosophy of Management Education at University Business School is built on an integrative value system. It is motivated by duty-bound work ethics, humane approach and scientific temper. Modern attitude, practical wisdom, knowledge and skill, relevant for management are deeply ingrained in the serene Indian culture. This philosophy of the School is translated into mission of creating wholesome personality of human beings with a view to produce effective and efficient managers, researchers and teachers.

The School uses rigorous multi-faceted pedagogic approach with an effective interface with industry to translate the mission into action. It creates opportunity for its students to enhance their understanding of economic, social and political environment; to enlarge their ability not only to adjust to change but to become catalyst; and to develop their power to conceptualise, decide and communicate. The School, through its integrative approach, inculcates human values in addition to managerial attitude, knowledge and skill.

The thrust of M.B.A. and M.B.A. (Executive) is on producing managers for different functional areas; M.B.A. (IB) for International Business; M.B.A. (HR) for Human Resource Management and M.B.A. (Biotech) for Biotechnology.

M.Com. (Hons.) aims at producing Commerce Professionals and Teachers and Ph.D. aims at producing researchers in Management and Commerce.

Achievements and Programmes

The faculty of University Business School, trained in India and abroad, has earned international recognition in industry and academia. The students produced by the School have made a mark in the world of management, research and teaching all over the world. University Business School has been recognized by University Grants Commission under Special Assistance Programme for the following thrust areas:

University Business School has also been awarded Assistance for Strengthening of the Infrastructure of the Humanities and Social Science (ASIHSS) programme by University Grants Commission in the following thrust areas: Supply Chain Management, Accounting & Business Finance-Social Responsibility and Human Resource Accounting, Investment Decision-making and Innovating Financing.
The School has been identified by University Grants Commission and All India Council for Technical Education for organizing Refresher Courses, Training Programmes and Induction programmes in Management for University and College teachers.

Management development, consultancy and research in all the areas of management is given high priority at the School.

UNIVERSITY INSTITUTE OF HOTEL MANAGEMENT AND TOURISM
(UIHMT)

About the Institute

UIHMT is a venture of Panjab University to offer market driven professional courses in the domain of Hospitality and Tourism. It is offering two courses:

(a) B.Sc. (Hospitality and Hotel Administration)
(b) B.Sc. (Tourism Management)

These six semester programmes incorporate both subject-specific and generic business modules and have been designed to reflect industry practices and academic developments. Each of the existing programmes touches hospitality and tourism as a business activity—the organization, dimensions, social significance and impact of core areas.

The main goal of the above programmes is to support the employability and professional success of our graduates. These programmes prepare students for immediate absorption in the relevant functional area in industry/take-up entrepreneurship individually as against the traditional model that provides just a degree. Further nurturing of professionals is achieved by providing an overall exposure to the tourism and hospitality industry through extensive academic and industry interactions.

Ph.D.

The Institute is well equipped for research work leading to Ph.D. degree. Facilities exist particularly in areas like: Thermodynamic and Thermo Physical Properties; Heat and Mass Transfer; Reaction Kinetics; Multiphase Complex Flow Hydrodynamics; Carbon Technology; Polymer Science and Engineering; Non-Conventional Separation Techniques; Environmental Engineering; Non-Conventional Energy sources; Agro-residues; Food Processing, Nanofluids.
UNIVERSITY INSTITUTE OF ENGINEERING & TECHNOLOGY

About the Institute

Started in 2002, measuring up to high standards of university, the institute has set quality standards in technical education. The highly qualified faculty is the backbone of institute. The institute is currently running six BE and four ME/M.Tech. courses with an overall strength of about 2500 students. BE courses include Computer Science & Engineering, Electronics and Communication Engineering, Electrical & Electronics Engineering, Mechanical Engineering, Information Technology and Biotechnology. In addition, 5-years Integrated degree in BE with MBA has also been started from 2008-2009. ME/M.Tech. courses are conducted in ECE, IT, CSE, and Micro electronics, Part-time Ph.D. facility provides opportunity to Research Scholars in Engineering & Technology. Well equipped laboratories provide the exposure to the students in practicals. State of art computer facilities, independent broad band internet connectivity provide ample scope for students to learn round the clock. Dedicated 2 mbps Internet connectivity and Wi-Fi connectivity apart from university connectivity has reduced locational dependence of the students. In fact students with laptops avail the facility in the institute as well as in the hostels. With the updation/revision of syllabi, more practical activities have been made computer based. Engineering Drawing using AUTOCAD has been made compulsory for students of all branches in the first year.

Being the part of the University, Research and Development is the focus of the institute. Faculty members carry out R & D activities that result in the published research work at the national and international level. The faculty is working on various sponsored research projects with a financial support of around Rs. 100 lacs from various agencies like DIT, AICTE, DST and Department of Biotechnology etc. Conferences, seminars and workshops are continuous process of interaction at various levels among the students, faculty and the experts from industry as well as organizations. Integrated development of the students as professionals with soft skills is emphasized upon.

The placement of the institute has been excellent, achieving 100% placements for the last four years. The response from the top industrial houses has been overwhelming to prove that the institute is producing the quality engineers. The MOUs signed with industrial houses like Infosys, IBM, Sun Microsystems etc., institutes of national importance and organizations have brought the students and faculty closer to the real world of work in the industry.

UNIVERSITY CENTRE OF INSTRUMENTATION & MICROELECTRONICS

About the Centre

The University Centre of Instrumentation and Microelectronics (UCIM) was established in 1995 and offers M.Tech. (Instrumentation) and M.Tech. (Microelectronics) Courses, each of 2 years (4 semesters) duration. The objective of the centre is to generate trained manpower for Modern Sophisticated Instrumentation and for Microelectronics applications. The facilities available have been supplemented by combining with it the DST funded Sophisticated Analytical Instrumentation Facility (SAIF), Central Instrumentation Laboratory (CIL) and University Science Instrumentation Centre (USIC) which are housed in the same building.

Instrumentation Infrastructure

The centre houses the following Sophisticated Instruments and facilities under SAIF:

- Transmission Electron Microscope, HITACHI H 7500
- Scanning Electron Microscope, Jeol JSM 6100
- NMR Spectrometer 400 MHz, Bruker Avance II
- LC MS/MS-Q-Tof micro-mass
- X-Ray Diffractometer for (Powder) PANALYTICAL-Xpert Pio
- Elemental Analyser for CHN, Perkin Elmer 2400
- High Performance Liquid Chromatograph (HPLC), Shimadzu LC 10
- Amino Acid Analyser, Shimadzu LC 10
- UV-VIS-NIR Spectrometer, Hitachi 330
- UV-VIS-NIR Spectrometer, Lambda 750, Perkin Elmer
FTIR Spectrometer, Perkin Elmer PE-RX1
FTIR Spectrometer – Spectrum-400, Perkin Elmer
Atomic Absorption Spectrometer EC4100
Ultra Centrifuge, Beckman L 8-80
Liquid Nitrogen Plant, Sulzer Limit-10
Photography Laboratory
Workshops: Electronics, Mechanical, Wood, Glass Blowing.

The SAIF has undergone a rejuvenation phase by replacing some key instruments which are about two decades old. 400MHz NMR and 120kV TEM have been installed in November 2005. XRD (powder) is replaced by a state-of-the-art counterpart. The GCMS is replaced by an LCMS/MS. Liquid Nitrogen plant has been purchased for which Rs. 1.00 crore has been sanctioned by the DST. Photography Lab. is upgraded with the addition of an optical microscope with dedicated digital camera (Leica/Carl Zeiss).

The facilities of this Centre go a long way in improving the quality of research being carried out in the Research Institutes and Universities in the entire region comprising the States of Punjab, Haryana, H.P., U.P., Rajasthan and even Eastern Western and Southern parts of the country. These facilities are also made available to the industries. The centre also undertakes the design, fabrication and repair of electronic instruments required by students and teachers from the University and the colleges around. It also runs training programmes in technical skills for the benefit of scientific community and associated laboratory staff from different institutions.

I. Admission to M.Tech. (Instrumentation) will be made by admitting GATE Qualified candidates. The merit list will be prepared according to the following criteria:

- GATE Score*: 50%
- Academic Weightage: 50%
- Academic Weightage will be based on the percentage of marks obtained by the eligible candidates in the qualifying examination (B.E./B.Tech./M.Sc.).

II. If any seat(s) remain unfilled, the same will be filled by admitting candidates on the basis of OCET merit.

- The merit list will be prepared according to the following criteria:
  - Entrance Test (OCET): 50%
  - Academic Weightage: 50%
  - Academic weightage will be based on the percentage of marks obtained by the eligible candidates in the qualifying examination (B.E./B.Tech./M.Sc.).

The merit list will be made on the basis of academic weightage of the eligibility qualification.
**MOU with Premier Institutions**: Memorandum of understanding have been signed with CSIO (Chandigarh) which enables the M.Tech. students to have access to the facilities in these institution and provides for two way interaction between the faculties.

**Internal evaluation**: Internal and transparent evaluation of answer books has been adopted with effect from December 2005 examination. Evaluated answer books are shown to the students and the results compiled in the department itself. This leads to the speedy declaration of results as well as instill the confidence of the students in the evaluation system.

**Speedy Project Viva Voce**: A single panel system to conduct the Project viva-voce of M.Tech. IV semester students of each stream has been implemented w.e.f. 2005. This has drastically cut down the paper work at various levels and resulted in the speedy conduct of viva-voce and declaration of result which benefits the students towards their timely placements.

**Job Placement**: M.Tech. (Instrumentation) students have been placed in various industries pro organisations and academic institution.

**Seminars/Workshops**: Seminars by Faculty, SAIF staff and Guest speakers have been introduced for the benefit of students and staff. These Workshops are held and planned under IMS (Indian Microelectronics Society)and also as a SAIF programme.

Activities of the Centre can be accessed through the P.U. website puchd.ac.in under “Instrumentations Facility” on the main page or with the link to Department/Engineering and Technology/UCIM.

**SWAMI SARVANAND GIRI PANJAB UNIVERSITY REGIONAL CENTRE BAJWARA (HOSHIARPUR)**

**About the Centre**

The Panjab University, Chandigarh started its 2nd Technical Institute as an off-campus establishment in Kandi Area of Punjab at Hoshiarpur from the session 2006-2007. The campus has been started keeping in mind objective of upliftment of rural students through technical education, quality training program in need based modern technology, inculcation of moral, ethical and spiritual values in education at all levels. The campus has been established in a beautiful lush green environment with State of Art Infrastructure.

The institute offers B.E. Course in Computer Science, Engineering, Electronics & Communication, Engineering, Mechanical Engineering and Information Technology. In addition the LL.B. 3 years course, B.A. LL.B. 5 years course and M.C.A. have also started w.e.f. Session 2007-08.

The centre has well equipped Computer Science, Electronics, Mechanical, Electrical, Physics and Chemistry Laboratories to train the students. Along with other infrastructure the centre has workshop facilities, Library, Health Centre and student bus facility. State-of-the-art Computer facilities, independent Broad Band internet connectivity and Wi-Fi helps students to access the internet services beyond location barriers. The students undergoing the course are able to study in the conductive environment and infrastructure befitting to the level of the Panjab University under the able guidance of well qualified
faculty. The institute has research oriented faculty having Govt. funded research projects. The campus is also connected with the Hot-Line i.e. 24 hours uninterrupted power supply. With first batch of institute passing out in 2010, around 70% of the students have been placed in reputed companies with good packages. A separate Training and Placement cell has been created at the centre for training the students and searching better job opportunities for them. The placement campaign for 2011 batch has yielded success with reputed companies like Infosys Technologies, Tech Mahindra, Inforgain, Tata Motors etc recruiting students in good numbers. Technical alliance with IBM for Centre of Excellence has matured and certain programs with Infosys Technologies and Sonalika International are in way. There are two Hostel one each for Boys & Girls. Efforts are also being made for the placement of MCA and law students along with B.E. which are quite encouraging.

About the Department

The Department of Laws, originally established at Lahore in 1889, was re-established at Shimla in 1948, shifted to Jalandhar in 1950 and finally re-located at the University Campus at Chandigarh in 1959. Its Alumni include Judges of the Supreme Court and High Courts, Union Cabinet Ministers, State Chief Ministers, Cabinet Ministers, Ambassadors, Senior Bureaucrats, Police Officers and other legal luminaries.

The Department provides practical training to LL.B. students. One full paper of 6th Semester includes compulsory participation in two Moots, attachment with advocates in District Courts for 7 to 10 days, and special lectures by eminent Academicians, Judges and Senior Advocates which are compulsory as a part of curriculum. Every year the students of the department are sent to the Supreme Court of India as a part of the practical training programme.

It has established a Legal Aid Clinic-cum-Arbitration Centre as well as a Placement Cell. It is the only Department which has students Exchange Programme with ELSA under which various groups of students have gone from Chandigarh to Stockholm and vice-versa. The Department has provision for special lectures in memory of Justice Mehr Chand Mahajan and S. Ajit Singh Sarhadi. These lectures have been delivered over the years by eminent persons such as Justice V.K. Krishna Iyer, Justice V.S. Deshpande, Professor Upendra Bakshi, Dr. L.M. Singhvi, Professor Mool Chand Sharma, Justice J.S. Verma, Mr. Soli J. Sorabjee and Prof. M.R. Madhava Menon. It has a good library with more than 51,000 books and 52 regularly subscribed Indian and foreign journals. The Department has also the distinction of having Depository Library for United Nations Documents which is the only library with more than 8000 documents North of India. The Department regularly publishes a Law Journal (Panjab University Law Review).

ALSA: The Department has established Asian Law Students Association.

Dress Code: Black pant and coat, white shirt along with tie/scarf (prescribed) on Mondays, Wednesdays and on all formal occasions/functions i.e. moot courts, court visits, presentations, special lectures etc. The girl students have option to wear this dress or white salwar kameez with white dupatta and black coat.

Placement Cell: The Department has its own Placement Cell which encourages the students to undertake their internship after the class hours. The cell arranges internships to the interested students with leading lawyers, NGOs, Commissions etc. The Department has also started inviting the potential employers in the Corporate Sector for the purpose of recruitment of students in the Final year of their studies.

Apart from the relevant Rules and Regulations in the Panjab University Calendars etc. applicable to various Law courses, the following provisions be noted specifically by the students with regard to their attendance, condonation of lectures, eligibility, promotion to next higher classes.
The Senate at its meeting held on 20.9.2001, Para XIII (o) has decided as under :-

“That w.e.f. the session 2002-03, the requirement of attending 75% (notwithstanding 66% as mentioned in the Regulation 3 of P.U. Cal. Vol. II, 2007 at 387) of the total number of lectures, tutorials, seminars, practicals stipulated in the UGC letter No. F.C.A. (CPP II) dated 26.7.2001 be made applicable from the academic session 2002-03”.

**Note:** Lectures shall be counted upto the last working day before lectures cease and the college/department closes for preparatory holidays.

The days spent by a student for competing examination conducted by Government for Public Services (from the first day to the last day of the examination as also the days of travelling connected with the examination) shall be counted on production of satisfactory evidence as attendance at lectures delivered to his class during the period of such absence.

A student who participates in Inter-University or University or Inter-Collegiate Tournaments or Youth Festivals or National and International Tournaments or similar other activities or NCC or University educational excursions or NSS etc. be allowed credit for an equal number of lectures delivered and tutorial, practical classes etc. held during the period he was away to participate in such an activity provided the student proceeds with prior permission of the Head/Chairman/Principal concerned.

Deficiency of lectures under Regulations shall be counted after giving the credit for attendance/participation in various activities as contemplated above.

*For exhaustive information on condonation the Panjab University Calendars Vol. II (2007) and Vol. III (2009) may be consulted.*

**Rules for Condoning Deficiency in Lectures**

The deficiency may be condoned by the Chairperson/Head of the Department of Laws as under :-

(a) Up to 30 lectures in various paper/s to the best advantage of the candidate; and
(b) Up to 8 lectures in the Law Moots, Tutorials, Visits to the Courts.

Provided that no condonation shall be allowed in regard to lectures delivered by experts.

Provided further that no condonation shall be allowed in case a candidate has attended less than 33% lectures for each paper/subject/tutorial moots.

Further, the Senate in its meeting held on 12.10.2003 Para XXIII decided as under :-

1. The Vice-Chancellor, on the recommendation of the Board of Control and for reasons to be recorded, be authorized to condone shortage of lectures up to another 10 lectures delivered in various paper(s) to the best advantage of the candidate in addition to the authority vested in the Chairperson/Head of the Department.
2. The Syndicate may, for reasons to be recorded, make further relaxation up to 10 lectures delivered in various paper(s) in cases of extreme hardship beyond the limit/s stipulated in (I) above.

**Note:** For condonation of lectures on the ground of extreme hardship cases, information to the effect along with supporting documents, if any, should be sent to the Department within seven days after the hardship is over.
Regulation 6.1 (a) of Panjab University Calendar Vol. II, 2007, page 388 provides that :-

“Promotion from I\textsuperscript{st} to 2\textsuperscript{nd}, 3\textsuperscript{rd} to 4\textsuperscript{th} and 5\textsuperscript{th} to 6\textsuperscript{th} semesters shall be allowed to a student who fulfills the attendance and other requirements under the rules, even if he fails to appear or qualify in the papers prescribed for I\textsuperscript{st}, 3\textsuperscript{rd} or 5\textsuperscript{th} semesters as the case may be”.

As per the above decision, a student who fails to attend minimum of 75\% of the total delivered lectures, practicals etc. will not be eligible to sit in the examinations. A student of 1\textsuperscript{st} semester who fails to fulfill the required attendance as per rules will not be eligible to be re-admitted in the Department except by qualifying the entrance test afresh.

Regulation 6.1 (b) of the Panjab University Cal. Vol. II, 2007, page 388 provides that :-

“Promotion/admission to 2\textsuperscript{nd} year (3\textsuperscript{rd} Semester) or 3\textsuperscript{rd} year (5\textsuperscript{th} Semester) shall be allowed to a student provided he has passed in 5 out of 10 papers prescribed for 1\textsuperscript{st} year (1\textsuperscript{st} and 2\textsuperscript{nd} Semesters) and 10 out of 20 papers prescribed for 1\textsuperscript{st} and 2\textsuperscript{nd} years (1\textsuperscript{st}, 2\textsuperscript{nd}, 3\textsuperscript{rd}, 4\textsuperscript{th} Semesters) as the case may be’.

The Rules for Inter-University and Intra-University migration are the same except the criterion for the determination of merit. Depending upon the availability of seats, migration is permissible in the 3\textsuperscript{rd} and 5\textsuperscript{th} semester evening classes only provided the candidate is already a student of 3\textsuperscript{rd}/5\textsuperscript{th} semester in some other University/Regional Centre/Institution constituent/affiliated to Panjab University.

The enrolment form along with Booklet containing relevant rules and regulations on the subject may be obtained on payment from the Cash Counter, S.B.I. near Administrative Block, Panjab University, Chandigarh.

Thrust Areas

The Department of Laws, Panjab University is actively involved in teaching and research in the field of Law. Besides teaching about 1000 students of LL.B., and 30-40 students of LL.M., the teachers of the Department actively involve themselves in guiding research as well as doing their own research work. Every student of LL.M. is required to submit a dissertation as a part of syllabi. A number of Ph.D. scholars are also registered under the teachers of the Department. The major areas of research are Constitutional Law, Human Rights, Family Law, International Law, Administrative Law, Law of Taxation, Criminal Law, Law of Property, Labour Law and Environmental Law etc. In the field of Human Rights, the research is being conducted both at the LL.M. and Doctorate Level. Some of the teachers have also authored books on topics on Human Rights and related subjects. The teachers of the Department have also been participating in various international and national Seminars/Conferences both in India and abroad. Four teachers of the Department have also successfully completed the Course in Human Rights conducted by the International Institute of Human Rights at Strasbourg (France), and subsequent to the completion of this Course, the said teachers completed their internship in various International Institutions at Geneva such at U.N. Division of Human Rights, High Commission for Refugees, International Labour Organisation and ICRC.

The Department also undertakes social activities and every year organizes Blood Donation Camp where a large number of students, employees and faculty members donate blood.

UNIVERSITY INSTITUTE OF LEGAL STUDIES

About the Institute

University Institute of Legal Studies (UILS) was established as constituent department of Panjab University, in the session 2004-05. During a short span, it has emerged as one of the premier legal educations institute with a unique combination of tradition and modernity. Its mission is to equip students with the expertise to diagnose and plan for problems through legal analysis and reasoning. To hone up their
‘DRAIN’ skills –Drafting, Research, Advocacy, Interviewing and Negotiation- the Institute arranges a number of curricular and extra-curricular activities. Students are trained in techniques of procedural laws, essence of the substantive laws, methods of client counseling and skills of library and computer research etc. The Moot Court Competitions, Client Counseling Sessions, Quiz Contests, Seminars, Group Discussions and Extension Lectures etc. are a regular feature of the academic calendar of the Institute. Besides, to update the students about the contemporary issues and developments, the Institute brings out a refereed research journal annually and a bi-annual student magazine ‘Legal-eagle’. Our student Journal - ‘UILS Law Review’ is also in the pipeline. In addition, students get an insight into the ‘law in action’ through compulsory internships with Hon’ble Judges of Supreme Court, Punjab and Haryana High Court, Eminent Lawyers, Legal Firms, NGOs, etc. This action ‘process’ together with discussions on sociological, linguistic, economical and political developments compels the students to understand that lawyers play an important role as ‘facilitators’ of a wide range of personal, social, political, economic and legal transactions.

Infrastructure

The strong infrastructure of UILS significantly boosts its efforts to become a center of excellence. It has an independent four storeyed building consisting of 18 spacious classrooms and other modern facilities. Besides, the institute houses one of the richest law libraries of the region. It stocks about 10,000 text and reference books (authored by Indian and foreign authors) along with a treasure of encyclopedias, dictionaries, e-sources and other reference material. The library subscribes to over 60 international and national legal and other journals. It has a well-equipped ‘Computer Lab’ with about 50 computers backed by free internet connectivity and Wi-Fi facility. Further the Institute is in the process of establishing a world class ‘Legal Skills Clinic’ and well furnished separate common rooms for boys and girls, Conference Room and Seminar Hall.

Faculty

The credit for escalation and expansion of UILS goes to its following brilliant and dedicated faculty members, who have been relentlessly engaged in generating quality teaching and research.

M.Sc. (Environment Science):

In view of the enormous demand of environment specialists as educators, researchers, industrial consultants, urban planners and architects for the Government and Non-government organisations, in 2002 the university started a 2-year Master’s degree programme in Environment Science. The level of the course is evident from the brilliant result shown by the students at the national level UGC-NET in the
country in the discipline. The course is so designed that the students have to maintain regularity and seriousness. In each of the 4 papers in a semester (except the seminar/term-paper/project), a student is offered 3 surprise tests. Of the 3 surprise tests, 2 best-attempted tests apart are considered towards the final internal/continuous assessment comprising 20% of the total maximum marks reported in the final award-list. The attendance is also reported in the Detailed Marks-card issued to the students on completion of the semester.

The Department has reached at the top band of recognized institutions in the subject of Environment Science in the country on account of:

(a) Consecutively best results in the UGC-NET of our students;
(b) Producing many good publications in high ranking refereed International journals.

The syllabus approved by the National Educational Testing of the UGC (after addition of the topics relevant to the local and national demands) has been adopted. The subject being inter-disciplinary and multidisciplinary, the faculty (based on the expertise in the relevant field) is drawn from different departments of the campus. The Outlines of Tests/Courses of Reading/Syllabus can be seen at the web site of Panjab University.

**Environment Education:**

The Department of Environment and Vocational Studies also serves as the nucleus for the Compulsory course on Environment Education for a 3-year degree course in any stream (BA, BBA, BCA, B.Sc., B.Com., B.Sc. (Honours School)). A committee comprising the DUI (Chairperson), members of the Syndicate and Senate, Principals of many colleges, Professors of the university and the coordinator DEVS (convener) advises the operation of the course.

**Doctoral Programme:**

The Department proposes to enroll and register a few more suitable candidates for interdisciplinary research in any aspect of Environment for the award of Ph.D. degree under the Faculty of Science. Currently 44 students are enrolled under Ph.D. Programme under the guidance of environment experts from different disciplines.

**Research Component:**

Research on the current environmental issues of local, national and global importance remains the major thrust of the DEVS. Following research projects funded by various agencies have been undertaken or are in progress:

- *Ecological status of Medicinal & Aromatic Plants of Haryana* sponsored by Haryana State Council for Science and Technology.

- *Management of Congress-grass through Vermicomposting* sponsored by Department of Science and Technology and executed jointly with PSCST.
* Impact of Invasive Species on the Structure and Composition of Natural Vegetation of H. P. sponsored as B.P. Pal National Environment Fellowship award of Ministry of Environment & Forests, Govt. of India.

* “Utilization of some volatile Monoterpenes for weed Management” under Research Scientist Scheme of the Department of Science and Technology, New Delhi.

* Assessment of Water Quality in parts of District Sangrur, Punjab in relation to Agriculture and Health hazards.

Consultancy:

The DEVS undertakes consultancy on environmental issues through the University. Some of the organization for which consultancy has been undertaken include High Court of Himachal Pradesh, Coca-cola, Punjab State Council for Science and Technology, HMT, Pinjore (Haryana).

Awards:

The researches conducted for the DEVS have been credited with various national and international awards.

Facilities Available:

The Department has suitably developed the laboratory facilities with many sophisticated analytical equipments including HPLC, Spectrophotometer, (High Performance Liquid Chromatography) Flame Photometer, CoD-Bod assembly for teaching, demonstration and research purposes. It has its own library with latest books and reading material in the field of Environment, Solidwaste Management. Inter-disciplinary facilities from the department of Geology, Chemistry, Physics, Botany and Zoology are also available. The facility of Visual aids like LCD projector, Slide and Over-head projectors are available for imparting instructions to the students. Students are encouraged to use these aids even for their seminars. About 15 computers with internet connectivity have also been provided in the DEVS. The students are regularly exposed to various aspects of industry requiring environmental attention alongwith educational trips to the related production units and research institutions.
RULES FOR ADMISSIONS TO THE COURSES OFFERED BY THE UNIVERSITY TEACHING DEPARTMENTS/CENTRES

These rules shall govern admissions to all the Teaching Departments/Centres of the University including those which offer Professional Courses (viz., University Institute of Chemical Engineering and Technology, University Institute of Engineering and Technology, Swami Sarvanand Giri P.U. Regional Centre, Hoshiarpur, P.U.R.C., Ludhiana, P.U.R.C., Muktsar, University Business School, UIAMS, National Centre for Human Genome Studies and Research, Environment and Vocational Studies, Indian Theatre, Laws, U.I.L.S., Library & Information Science, School of Communication Studies, Music, University Institute of Pharmaceutical Sciences, Education, Physical Education, Computer Science & Applications, Biotechnology, Sophisticated Analytical Instrument Facility, Dr. Harvansh Singh Judge Institute of Dental Sciences & Hospital, Institute of Educational Technology & Vocational Education, University Institute of Fashion Technology and University Institute of Hotel Management & Tourism).

It is, however, understood that wherever deviation from the rules is intended by way of making special provision, the latter shall override the former.

Whenever for admission to University Courses B.A./B.Sc./B.Com., is the minimum requirement, B.A./B.Sc./B.Com. shall mean the first degree obtained under 10+2+3 scheme.

Specifically:

(i) The admission to first year of all the Postgraduate Courses including B.P.Ed., LL.B. etc. in which admission on the basis of graduation has been notified during 2011-2012 shall be made on the basis of 10+2+3 scheme.

(ii) The First Degree obtained under the old scheme (14-year course) till April, 1995 will be treated at par with the First Degree under 10+2+3 scheme for the purpose of admission to these courses.

1. Schedule of admissions

(a) The date-wise schedule of admissions shall be separately announced by the Department concerned, with the approval of the Dean of University Instruction, which shall be strictly observed.

(b) This schedule shall contain the dates of posting the provisional merit list of candidates (framed according to rules), inviting objections, if any, interviews and admission/aptitude test, wherever applicable, display of lists of selected candidates, and of candidates placed on the waiting list and deposit of fee etc.

This schedule shall be prominently displayed on the Notice Board of the Department concerned before the process of admissions starts.

2. Seats : Open and Reserved

The number of seats in each course offered in the Teaching Departments, as announced in the Admission Notice/s, shall be strictly adhered to, except for such minor adjustment as may be necessary on account of rounding off fractions to accommodate reservations, as given below :-

(A) Generally 55.5% of the seats in each course shall be treated as belonging to the Open Category.
(B) 44.5% seats shall be treated as belonging to the Reserved Category, as per details given below:

(i) 15% for candidates belonging to the Scheduled Castes.

(ii) 7.5% for candidates belonging to the Scheduled Tribes.

The above reservation shall be subject to the following conditions:

(a) the number of students admitted on merit shall not be included in the number of seats reserved;

(b) members of Scheduled Castes/Tribes and Backward Classes shall be allowed a concession of 5% marks for admission to the courses in which a certain percentage of minimum marks has been prescribed provided they have obtained minimum pass marks prescribed by regulations;

(c) in case the seats earmarked for Scheduled Castes/Scheduled Tribes remain unfilled, a further relaxation in marks may be given, in order of merit inter-se amongst the candidates themselves, so that all the reserved seats are filled by candidates belonging to these categories. This, however, will not apply for M.B.B.S. admission; and

(d) A Scheduled Caste/Scheduled Tribe person on migration from the State of his origin will not lose his status as Scheduled Caste/Scheduled Tribe but he will be entitled to the concessions/benefits admissible to the Scheduled Castes/Scheduled Tribes from the State of his origin and not from the State where he has migrated. [Regulation 29.1, P.U. Cal. Vol. I, 2005 (Page 168)].

(iii) 5% for candidates belonging to the Backward Classes.

(Restored by Syndicate vide Para 63, dt. 29.6.2010)

(iv) 3% for Physically Handicapped candidates: Claimant in this category should be capable of pursuing the course for which the admission is sought. The handicapped candidates should have a minimum of 40% disability duly certified by the Medical Board of District/State/UT/Medical Institution of National Importance. Such certificate shall be further certified by the Medical Board of the Panjab University Health Centre.

Out of the 3% seats, 1% be earmarked for the blind and the persons with low vision in the courses where no practical are involved:

1. the blind persons be given admission straightway; i.e. they will be given priority over the Physically Handicapped candidates;

2. the blind persons be allowed to compete in General Category by allowing them 5 per cent marks over and above the marks actually obtained by them for determining their merit;

3. for admission to courses wherein age limit is specified, the blind persons be given a relaxation of 5 years in age;

4. for admission to courses based on Entrance Tests, the blind persons be treated at par with the SC/ST for earning eligibility for admission;

Visually Handicapped would mean:

Visual acuity of 6/60 with best correction in the better eye or any persons with visual fields of 20° or less in the better eye irrespective of the visual acuity.
(v) 5% on the basis of achievement in Sports (see separate Guidelines).

(vi) 5% (for all the under-mentioned categories taken together) for candidates who fall in one of the following categories (which are given here in order of precedence):

1. Sons/Daughters/Spouses of such defence personnel, para-military personnel like CRPF/BSF and Police personnel etc. who died in action while on duty. Only those who were wholly dependent on such personnel shall be considered.

2. Sons/Daughters/Spouses as are wholly dependent on such Defence Personnel who were incapacitated/died while in service.

3. Such Sons/Daughters/Spouses of ex-servicemen (Defence and Para-military personnel like CRPF/BSF etc.) as are wholly dependent on them.

4. Defence personnel incapacitated while in service.

5. Such Sons/Daughters/Spouses of serving defence personnel and para-military personnel like CRPF/BSF etc. as are wholly dependent on them.

6. Ex-servicemen**

7. Serving defence personnel/paramilitary personnel like CRPF/BSF etc.

Note: Except in the case of Department of Laws, for admission to evening courses, categories 2, 3 and 5 under 2 (b) (v) will not be considered, since the term “wholly dependent” will exclude such persons as are ‘employed’ or ‘self-employed’.

(vii) 2% for Sons/Daughters/Husband/Wife/Brothers/Sisters of persons killed/incapacitated in November, 1984 riots and of persons killed/incapacitated in terrorist violence in Punjab and Chandigarh. A Certificate from the District Magistrate to this effect must be submitted by the candidate. Migrant Card alone is not enough.

Note: In case there will be any amendment/change in the existing clause, the same shall be notified and communicated to all concerned departments by the Deputy Registrar (Colleges).

(viii) 2% for the Children/Grand children of freedom fighters who have been sanctioned pension by Central/State Govt. or awarded Tamra Patra by Government of India (Synd. Para 15 dated 30-5-1997) or those who have been certified to be freedom fighters by the Centre/State Govts.

(ix) Any other statutory reservation as prescribed by the Govt. of India, if any.

---

*Incapacitation will mean incapacitation leading to the discharge of the person by authorities concerned.

**Ex-serviceman means a person who has served in any rank whether as a combatant or non-combatant in the regular Army, Navy and Air Force of the Indian Union:*

(i) who retired from the service after earning his/her pensions; or

(ii) who has been boarded out of the service on medical grounds attributable to military service or circumstance beyond his control and awarded medical or other disability pension; or

(iii) who has been released from the service as a result of reduction in establishment; or

(iv) who has been released from the service after completing the specific period of engagement, (otherwise than at his own request, or by way of dismissal, or discharge on account of misconduct or inefficiency) and has been given a gratuity.

Territorial Army Personnel of the following categories shall also be considered as ex-servicemen:*

(a) Pension holders for continuous embodied service;

(b) Disabled Territorial Army Personnel with disability attributable to military service;

(c) Gallantry award winners.
Explanation:

While working out the percentage of seats in the reserved categories as given above, if the number arrived at contains a fraction, this shall be resolved as follows:

If the fraction is 0.5 or more, it shall be rounded off to 1; if it is less than 0.5, it shall be ignored. This shall, however, not affect the total number of seats in the open category. To ensure this, if the total number of seats after making this adjustment, exceeds the prescribed number fixed for the course, the necessary additional seats shall be created with the prior permission of the D.U.I./Vice-Chancellor. Such seats, if created, shall be treated as additional only for the year in question.

Illustration:

In a course which has 25 seats, the distribution of seats among the various categories will be as under:

<table>
<thead>
<tr>
<th>Open</th>
<th>SC</th>
<th>ST</th>
<th>BC</th>
<th>Sports</th>
<th>Defence Personnel</th>
<th>Phy. Handicapped</th>
<th>Riot</th>
<th>Freedom</th>
<th>Total</th>
</tr>
</thead>
<tbody>
<tr>
<td>14</td>
<td>4</td>
<td>2</td>
<td>1</td>
<td>1</td>
<td>1</td>
<td>1</td>
<td>1</td>
<td>1</td>
<td>26</td>
</tr>
</tbody>
</table>

It will be seen that this raises the total number of seats to 26. The 26th seat will be treated as additional in that course for that year only. The additional seat, if required to be created, shall be created only for the Reserved category and not for the Open category. Such additional seat, if remains unfilled, will not be converted to open category.

3. Eligibility Conditions

For admission under any of the categories, Open or Reserved, as given above, a candidate must be eligible. Eligibility shall mean the candidate’s possessing the minimum qualifications as laid down in the relevant regulations contained in the Panjab University Calendar, Volume II, 2005 including amendments made therein from time to time and in the Handbook of Information 2011. For such courses admission to which is based wholly or in part on an entrance test/aptitude test, eligibility shall also mean the candidate’s having taken the test and qualified it.

4. Inter-Changeability and transfer of seats

(a) In the Reserved categories given at (i) and (ii) under paragraph 2(b), i.e. Scheduled Castes and Scheduled Tribes, the seats shall be regarded as ‘interchangeable’. That is to say, if a sufficient number of eligible candidates are not available to fill up the seats reserved for Scheduled Tribes, seats may be filled up from among the eligible candidates belonging to the Scheduled Castes, and vice-versa.

(b) The seats in the reserved categories as remain unfilled shall be transferred to the Open category on 18-8-2011 (Thursday) by 5.00 p.m. Any additional seat/s, if created for the reserved category, shall stand cancelled in such a case.

Note: The Departments where admission is based on Entrance Test/Aptitude Test, seats in reserved categories be included in the General Category right from the beginning of admission in case there were no candidate belonging to these categories having qualified the Entrance Test were available.
5. Admission based on AIEEE & CAT

(a) The Entrance Test conducted by CBSE (AIEEE) in May, 2011 for the following courses: B.E. (Chemical), B.E. (Food Technology), B.E. (Biotechnology), B.E. (Electronics & Communication), B.E. (Computer Science Engineering), B.E. (Information Technology), B.E. (Mechanical), B.E. (Electrical and Electronics) and Five year Integrated Course B.E. with M.B.A.

(b) Admission to M.B.A. (Gen.), M.B.A. (International Business), M.B.A. (Human Resource) and MBA (Biotechnology), is based on CAT 2011 held in November, 2010.

(c) Departments may conduct a test as part of admission process with the prior permission of the Dean of University Instruction.

6. Additional seats for Foreign Nationals/NRI candidates.

(a) As notified, in addition to normal seats, the University has created additional seats in the following courses with separate tuition fee structure. The name of the course and number of seats are specified below:

(b) Foreign Nationals/NRI candidates seeking admission to the concerned course are required to compete amongst themselves for the seats for them by appearing in the Entrance Test if they are in India.

Those living abroad will be required to produce the Test Scores of: Scholastic Aptitude Test-II (SAT II) with permissible combination of subjects, conducted by the Educational Testing Service, Princeton, U.S.A., for admission to undergraduate courses.

Graduate Record Examination (General) (GRE) from Princeton, U.S.A., for admission to Post Graduate Courses.

Further:

1. Seats in this category shall not be allowed to be converted into open category. Applicants who fail to get admission in the general category shall be eligible to compete for the seat in the NRI category provided the candidate give in writing his option for NRI category during the counselling for general category self, subject to fulfillment of other requirements/rules for admission in this category. The admission will be made in the NRI category on the basis of combined (i.e. including those who applied earlier and those who gives the option at the time of general counselling) merit list of this category.

A candidate admitted in NRI category may change his admission to vacant seat in general/reserved category provided:–

The candidate falls within the merit of admitted candidates in general/reserved category.

2. Foreign Nationals/NRI candidates shall have to comply with any other requirements prescribed by the Govt. of India and Panjab University, from time to time.

3. The candidates for admission to B.P.Ed. and M.P. Ed. (Physical Education) will be required to undergo mandatory Physical Efficiency Test. The scores of Physical Efficiency Test will be counted for determining merit.

(c) Foreign Nationals/NRI candidates shall provide the following certificates/documents:

(i) Academic certificate of passing the qualifying or equivalent examination as prescribed for each course to which admission is to be sought.

(ii) Test score of Scholastic Aptitude Test II (SAT-II)/GRE/GMAT 60th Percentile from Princeton, U.S.A., wherever applicable. The score in SAT II/GRE/GMAT would be normalized at par with the corresponding test held by Panjab University, in case of applicants from abroad.

(b) B.A. or B.Sc. examination from this University in the year for which the record of detailed marks is not available in this office, but must have offered at the B.A. examination the subject of Post graduate course.

Explanatory Note :-67 marks out of 150 shall be accepted as 45 per cent in the subject of Post-graduate course.

7.2 The following are not eligible for admission to M.A. courses in the Faculties of Arts and Languages:

(a) If a student fails to pass M.A. Part/Semester-I or fails to appear in the examination even though he/she had requisite attendance, he/she be not allowed to seek re-admission in the Department for M.A. Part/Semester-I in the same subject. Such a student can appear in the same examination as a private candidate as prescribed under the University regulations;

*This would be applicable w.e.f. the Academic Session 1992-93 instead of 1991-1992.
(b) If a student fails to meet the prescribed attendance requirement, and is, therefore, debarred from sitting in the examination, or does not on his/her own volition seek permission to sit in the examination he/she should be deemed to have failed in the examination. Such a student be not allowed to seek re-admission in the same Department;

(c) If a student fails to earn promotion to the M.A. Part-II or the next semester of M.A. for any of the reasons specified in Paras (a) and (b) above for two successive years in the same or two different Departments, he/she should be debarred from seeking admission in any Department in the Faculties of Arts and Languages for the next two years;

(d) In order to ensure the implementation of the above conditions, the columns given in the Admission Form, seeking information from the applicant on the course(s) attended by him/her in the preceding three years, must be filled by him/her.

If he/she leaves these columns blank, the admission form will be rendered invalid and if he/she makes mis-statement or conceals relevant facts, his/her admission will be cancelled even if made.

7.3 Preparation of Merit Lists/Normalisation of Marks.

Admission to both the (Open and Reserved) categories of seats shall be on the basis of merit within each category and the merit list shall be prepared as per these Rules.

The basis for preparation of the provisional merit list shall be as follows :

Marks of other Universities will be normalized to 2400 marks which are 3 years aggregate marks of B.A./B.Sc.( Gen.) of Panjab University. Similarly marks obtained by the candidates in the relevant subject will be normalized to 600 marks which is the total of 3 years aggregate marks of B.A./B.Sc. (Gen.) of elective subjects of Panjab University. The normalization procedure is explained below :-

(a) The marks obtained by a candidate in B.A./B.Sc. will be normalized on the basis of an aggregate. For example, if a student has scored 495 marks out of total of 900 marks in B.A./B.Sc., his normalized aggregate marks (out of 2400) would be :

\[
\frac{495}{900} \times 2400 = 1320
\]

These marks will be denoted by \( X \) and called the Basic Merit Marks.

(b) The marks in the relevant subject (i.e., the subject in which the admission is sought) will be normalized by changing the marks allotted to the relevant subject to 600 in order to give advantage of the subject to a candidate.

For example, if a candidate has obtained 240 marks out of 300 in the relevant subject, then the normalized marks in the subject would be :

\[
\frac{240}{300} \times 600 = 480 \text{ out of 600}
\]

These may be denoted by \( Y \).

Some universities award B.A./B.Sc. degree on the basis of aggregate marks of B.A./B.Sc. 2nd and 3rd years. In that case the aggregate marks and the marks of the relevant subject in which the applicant is seeking admission, will be considered on the basis of marks obtained in B.A./B.Sc. 2nd and 3rd years only for calculation of the basic merit marks and in the relevant subject.
In some cases, there could be students who have not studied the relevant subject, or the study of the subject is too elementary to be equated with the standard of B.A./B.Sc. level of Panjab University in the subject in which they are seeking admission in Post-graduate course. For such category of students \( Y \) is taken to be zero.

Candidates having passed B.A./B.Sc. from other universities with 4 elective subjects in addition to optional subjects at B.A./B.Sc. level shall not be given any credit under \( Y \), i.e. \( Y \) shall be taken to be zero.

(c) (i) Candidates who have passed B.A./B.Sc./B.Com. with Hons. either from Panjab University or from any other University would be given 15% weightage of the basic merit marks \( X \) obtained for the purpose of admission in Post-graduate course in the subject in which Honours examination was passed. Similar weightage would be given to candidates who have passed B.A./B.Sc./B.Com. examination according to Hons. School like system specializing in one subject in which the admission is sought for the P.G. course.

Explicitly this weightage would be denoted by \( Z \) and calculated as follows:

\[
Z = X \times \frac{15}{100}
\]

(ii) Candidates who have passed a Special Degree from another University will be treated at par with B.A. Examination of Panjab University with Honours in the relevant subject provided the B.A. Special Degree is recognized as equivalent to the corresponding B.A. with Honours Degree of Panjab University in the relevant subject.

(d) Where no test is required for admission, the final Merit marks of a candidate would be \( X+Y+Z+ \text{other weightages} \) as prescribed at 18.1 and 18.2. Other weightages as prescribed at 18.1 and 18.2 would be calculated on the basic merit marks \( X \).

In a Teaching Department of the Faculties of Arts and Languages which does not hold a separate entrance test for admission to M.A Part-I/Semester-I there shall be two merit lists: first one consisting of those candidates who did their B.A./B.Sc. with the subject of M.A. and the second one of those who did not study the subject of M.A. in their B.A./B.Sc. examination. The first merit list shall be taken up first and the second one after the first merit list is exhausted.

8. Admission based on Entrance Test conducted by Panjab University.

8.1 CET-2011

B.A.LL.B. (Hons.) Five year Integrated Course
B.Com. LL.B. (Hons.) Five year Integrated Course
B.Sc. (Tourism Management)
B.Sc. (Hospitality and Hotel Administration)
B.Pharm.
B.Sc. (Honours School)
There shall be Centralised admission to the following course being offered by the Teaching Departments of Panjab University.

1. (a) University Institute of Legal Studies, P.U., Chandigarh
   B.A.LL.B. (Hons.) Five year Integrated Course
   B.Com. LL.B. (Hons.) Five year Integrated Course

   (b) Swami Sarvanand Giri, P.U., Regional Centre, Bajwara, Hoshiarpur

   (c) P.U. Regional Centre, Ludhiana

2. University Institute of Hotel Management & Tourism (UIHMT), P.U., Chandigarh
   B.Sc. (Tourism Management)
   B.Sc. (Hospitality & Hotel Administration)

3. University Institute of Pharmaceutical Sciences
   B.Pharm.

4. Science Departments
   B.Sc. (Hons. School)
   (i) Anthropology
   (ii) Biochemistry
   (iii) Bio-Physics
   (iv) Biotechnology
   (v) Botany
   (vi) Chemistry
   (vii) Geology
   (viii) Microbiology
   (ix) Physics
   (x) Zoology

5. Department of Mathematics
   (i) Mathematics
   (ii) Mathematics & Computing

(i) The admission to all the above courses (except B.A.LL.B. (Hons.) Five year Integrated Course), B.Com. LL.B. (Hons.) Five year Integrated Course, B.Sc. (Tourism Management) and B.Sc. (Hospitality & Hotel Administration) will be made on the basis of the score obtained in the COMMON ENTRANCE TEST (CET) 2011 conducted by the Panjab University, Chandigarh on 22-5-2011 and marks obtained in 10 + 2 examination, provided the candidates are otherwise eligible for admission to the institution in terms of the eligibility conditions as mentioned in this prospectus.
For giving weightages of 25% marks obtained in +2 examination for admission to B.Pharm. and B.Sc. (Hons. School) following procedure will be followed:

(a) For admission to those courses where the admission is based on marks obtained in 3 subjects in CET, the marks obtained in CET, called X, will be calculated out of 360. The total marks obtained in +2 examination (taking all subjects into consideration) will be calculated out of 120 called Y (i.e., if T = total marks, M = marks obtained, then Y = (M/T) x 120, calculated to 2 decimal places). The merit for admission will be X+Y out of 480.

(b) For admission to B.Sc. (Hons. School) in Mathematics and B.Sc. Maths & Computing where the admission is based only on marks obtained in Mathematics in CET, the marks obtained in CET in Mathematics, called X₁, will be calculated out of 120. The total marks obtained in +2 examination (taking all subjects* into consideration) will be calculated out of 40, called Y₁ (i.e. if T = total marks, M = marks obtained, then Y₁ = (M/T) x 40, calculate to 2 decimal places). The merit for admission will be X₁+Y₁ out of 160.

(ii) The admission to B.A.LL.B. (Hons.) Five year integrated Course, B.Com. LL.B. (Hons.) Five year Integrated Course, B.Sc. (Tourism Management) and B.Sc. (Hospitality and Hotel Administration) will be based on the merit prepared on the basis of total of 50% marks obtained in +2 examination and 50% marks obtained in the Entrance Test conducted by the Panjab University.

For admission to B.A.LL.B. (5 year course), B.Com. LL.B. (Hons.) Five year Integrated Course, B.Sc. (Tourism Management) and B.Sc. (Hospitality and Hotel Administration) the marks of 5 best scoring subjects will be taken into consideration, for the purpose of preparing merit of 10+2 marks.

The candidates having compartment in 10+2 examination held in March 2011 will not be eligible for admission in the course. The candidates who do not appear in CET or who do not qualify CET shall not be considered for admission.

Candidates desirous of seeking admission against Foreign Nationals/PIO/NRI seats to B.A.LL.B. (Hons.) Five years integrated Course, B.Pharm. and B.Sc. (Honours School) courses, who are present in India, will complete amongst themselves for the seats created for them by appearing in the Entrance Test. Those living abroad will be required to produce the Test Scores of: Scholastic Aptitude Test-II (SAT-II) with permissible combination of subjects, conducted by the Educational Testing Services, Princeton, U.S.A. for admission to undergraduate courses. They have to comply with the requirements of Govt. of India if any, as well as Panjab University, Chandigarh as prescribed by them from time to time.

*The expression...... “The total marks obtained in all subjects (taking all subjects into consideration)” means total marks obtained in all compulsory number of subjects i.e. 5 subjects in CBSE (max. marks 500), Board of School Education Haryana (max. marks 500), H.P. Board of School Education (max. marks 500) and J & K State of Board of School Education (max. marks 750), 6 subjects until 2007 and 5 subjects from 2008 in case of Punjab School Education Board (max. marks 500, 450 respectively) and 6 subjects in ICSE (max. marks 600) or as the case may be for any recognized board.
8.2 Admission based on O-CET-2011

Entrance Test (O-CET-2011) For Admission to:

Eligibility would be as stated in O-C.E.T.-2011 Prospectus.

(i) Criteria for admission to the aforesaid courses except M.A. in Journalism & Mass Communication and MBA (Executive) is as under:

The candidate should have passed the Written Entrance Test conducted by Panjab University, Chandigarh. The merit list will be prepared considering the marks obtained in the Entrance Test and the Qualifying Examination as per the following criteria:

- Written Entrance Test: 50%
- Qualifying Examination: 50%

Academic and other weightage(s), if any, will be based on the percentage of marks obtained by the eligible candidates in the Qualifying Examination as prescribed in Section 16.1. The candidates will have to appear for a personal interview as per the merit list. However, there will be no marks awarded for the interview.

Illustration:

(a) The above criteria mean that if the total marks for admission are taken as 100, there will be 50 marks for his/her performance in B.A./B.Sc./B.Com. and 50 marks for the Entrance Test 2011. The candidates’ merit list can be prepared by taking the marks obtained by the candidate in B.A./B.Sc./B.Com. examination out of 50. This could be calculated by normalizing B.A./B.Sc./B.Com. (three years) marks out of 50. It is illustrated as under. If a candidate has obtained 1200 out of 2400 marks, his/her marks out of 50 would be 25.

\[
\frac{1200}{2400} \times 50 = 25
\]

These are referred to as the Basic Merit Marks of the candidate.
Further if the candidate gets 60 marks out of 75 in the Entrance Test, his/her merit marks would be 40 out of 50.

\[
\frac{60}{75} \times 50 = 40
\]

His/her total merit marks would become 25+40=65 out of 100.

(b) If the candidate who has passed B.A./B.Sc. Examination with Hons. or from Hons. School like system specializing in a subject he/she be given an additional weightage of 15% on the Basic Merit Marks of the qualifying examination (i.e. marks obtained out of 50) e.g.

If the candidate obtained 1200 marks out of 2400 his/her weightage under this clause would be:

\[
\frac{1200}{2400} \times 50 \times \frac{15}{100} = 3.75
\]

His/her total merit marks after adding weightage would get to 25+40+3.75=68.75.

Academic and other weightage(s), if any, will be based on the percentage of marks obtained by the eligible candidates in the Qualifying Examination as prescribed in Section 16.1. The candidates will have to appear for a personal interview as per the merit list. However, there will be no marks awarded for the interview.

(ii) **M.A. Journalism and Mass Communication (2-Year Course)**

**Eligibility Conditions**

The Entrance Test is open to all such candidates who have:

(i) A Bachelor’s degree obtaining at least 45% marks in the subject of Journalism and Mass Communication or 50% marks in the aggregate.

(ii) B.A./B.Sc. with Honours in Journalism and Mass Communication.

(iii) Master’s Degree examination in any subject.

**Criteria :**

<th>50%</th>
</tr>
</thead>
<tbody>
<tr>
<td>Qualifying Examination</td>
<td>50%</td>
</tr>
</tbody>
</table>

The total marks for Entrance Test are 75, which have been split up as under:

(i) Marks for Written Test 65

(ii) Marks for Group Discussion 5

(iii) Marks for Interview 5

The aggregate marks obtained above will be normalized to marks scored out of 50.

**Notes :**

1. Only those candidates will be called for group discussion & interview, in order of merit, who have secured a minimum of 20% marks in the Written Test except in case of candidates belonging to Scheduled Castes/Scheduled Tribes who must secure a minimum of 15% marks.
2. The number of candidates called by the department for group discussion/interview shall be five times the number of seats in each category if the number of candidates is very large.

3. Should any category not have five times the number of candidates then all the candidates in that particular category shall be called for Group Discussion and interview.

4. The candidates called for Group Discussion and interview will have to produce Detailed Marks Card (DMC) certificates in original before the commencement of Group Discussion/interview, failing which they shall not be allowed to participate in the Group discussion and interview.

(iii) **M.B.A. (Executive)**

**Merit List**

The admission will be made on the basis of the Entrance Test (85% weightage), Group Discussion (7.5% weightage) and Personal Interview (7.5% weightage). The result of the Entrance Test, however, will not be sent to the candidates but will be conveyed confidentially to the Chairman, University Business School (UBS) who will compile comprehensive result after the Group Discussion and Interview and notify the same on the departmental notice board.

8.3 **Eligibility condition for B.Sc. (Hons. School) 2nd year and 3rd year:**

(a) A student will be eligible to seek admission to B.Sc. (Hons. School) 2nd year only if he/she has passed B.Sc. (Hons. School) 1st year Examination.

(b) A student will be eligible to seek admission to B.Sc. (Hons. School) 3rd year only if he/she has passed B.Sc. (Hons. School) 2nd year Examination.

(Syndicate Para 5, dated 27.4.2002)

8.4 **Admission to all the Departments having B.Sc. (Hons. School) and M.Sc. (Hons. School) Courses:**

(i) The candidates of B.Sc. Hons. School shall have to qualify the minimum 50% of the total papers/credits attended by the candidates at the end of the 2nd and 4th semesters to be promoted to next year.

(ii) The candidates of M.Sc. Hons. School shall have to qualify the minimum 50% of the total papers/credits for promotion to second semester.

**Note:** A candidate can take admission in M.Sc. (Hons. School) only after one qualifies in all the papers of six semesters of B.Sc. Hons. School.

9. **MBA (Full time), MBA (H.R.), MBA (I.B.) & MBA (Biotechnology)**

The weightage has been prescribed as under:

(i) Written test CAT Score = 85% (of the percentage of CAT Score)
(ii) Group Discussion = 7.5%
(iii) Personal Interview = 7.5%
10. **Eligibility conditions for M.Sc. (Hons. School) 2nd Year class**

A student who has passed M.Sc. (Hons. School) Part I in the subject concerned shall be eligible to join Part-II (2nd year) class of that course.

11. **M.A. (Education)**

A person who have passed one of the following examinations from this University or from any other University whose examination has been recognized as equivalent to the corresponding examination of this university shall be eligible to join the First year (Part I) class of the M.A. course.

(i) **For Indian Nationals:**

A graduate in any discipline/stream with 50% marks from recognized Indian Universities with B.Ed.

OR

The students who have studied Education; or Philosophy; or Psychology; or Sociology as in elective subject or honours course at first or second degree level with 50% marks.

(ii) A student having 50% marks in the qualifying examination or equivalent grade from Foreign University having equivalent graduate degree certified by the Association of Indian Universities (AIU).

*( Syndicate Para 22, dated 4.12.2009.)*

12. **Admission to M.A. Courses on the basis of Aptitude Test**

In the event, the Board of Control/Advisory Committee desires to conduct aptitude tests at the Department level for admission to M.A. Part-I class, the following procedure will be followed (besides the rules/regulations of Panjab University governing eligibility, equivalence and admission in a particular subject):

(i) **Aptitude Test** : 40%

(ii) **Academic weightage** : 60%

   (a) **10th Class** : 10%
   
   (b) **10+2 Class** : 10%

17. Resolving of ties:

In the case of a tie at any stage in the preparation of the merit list, candidates securing equal marks will be bracketed together. Their inter-se-merit will be determined according to the following criteria:-

(i) A candidate getting higher percentage of marks in the qualifying examination shall rank higher in order of merit.

(ii) That if the marks in qualifying examination are also the same then the candidates obtaining more marks in the immediate lower examination, shall rank higher in order of merit.

(iii) That if two or more candidates secure equal marks in (i) & (ii) above, the candidate senior in age shall rank higher in the order of merit.

Note : When the provisional lists of candidates (based on merit) are displayed on the Notice Board, the Chairpersons shall mention the fact that this list is subject to change on account of improvement of result of the qualifying examination wherever applicable. The new result must be presented at the time of interview/operating of the waiting list.

18. Interviews:

All the candidates whose names appear on the provisional merit list shall, prior to admission, be interviewed by the Board of Control of the subject concerned or a Committee of the Board of Control constituted by the D.U.I/Vice-Chancellor. Candidates who do not appear for the interview will not be considered for admission.

The candidates must produce all the relevant certificates in original for verification at the time of interview, failing which they will not be considered for admission.

19. Preparation of final Merit list/Waiting list:

After interviewing the candidates and taking into account all the criteria of admission applicable (for instance, the scores, plus weightages, or the addition of admission/aptitude test scores, where applicable, etc.) each Department/Centre/Joint Admission Cell shall prepare a final list of selected candidates. This list shall be signed by the members of the Board of Control/Committee of the Board of Control approved by the D.U.I/Joint Admission Cell, certifying that the list has been prepared in order of merit and the relevant rules and regulations as laid down have been followed.
The Department/Centre/Joint Admission Cell shall then send the following list (in duplicate) for the D.U.I.’s approval.

(i) provisional merit list of all candidates category-wise.
(ii) final merit list of candidates recommended for admission category-wise and their application forms, and
(iii) the list of candidates placed on the waiting list, if any, category-wise.
(iv) Attendance of all the Candidates.

If a candidate, whose name is on the provisional list, is denied admission while a candidate below him is selected, the reasons for admission being denied shall be recorded and such a case shall be brought explicitly to the notice of D.U.I.

20. Revision of Merit & placement of Applicants :

A candidate whose merit is revised consequent upon the late declaration of Hons. result or General result and his/her merit falls among the candidates in the merit list of selected candidates, category wise, his/her name be placed at the top of the waiting list.

(Syndicate Para 40, dated 12-3-2005)

21. Rejection of incomplete Application Forms

The Board of Control/Committee of Board of Control/Joint Admission Cell can reject the application form which it regards as incomplete. Reasons for rejection must be recorded on the application form.

22. Cancellation of Seat/Admission

Admission of all such students who fail to attend at least 33% of the total lectures delivered and practicals held in all the papers during the first 10 working days from the start of teaching work in the course concerned shall be cancelled by the Board of Control/Joint Admission Cell after following the procedure given below:

1. By the 12th day after the start of classes for a particular course, the names of those students who fail to attend at least 33% of the total lectures/practicals shall be put up on the Department Notice Board. Within 4 days of the date of such notice, a student who is so short of attendance may give in writing the reasons for his absence from the classes.

2. If a student does not submit an application in writing within the prescribed time as stated above, or the reasons adduced by the student in his application are not found to be sufficient and justified in the opinion of the Board of Control/Joint Admission Cell, his admission shall be cancelled.

3. All the seats thus falling vacant shall be filled from the waiting list or through subsequent counselling before the expiry of the last date fixed for admissions by the University.

4. When the admission of the students is cancelled as stated above, the Department shall display on the Department Notice Board the list of the person(s) next in the waiting list and make admissions accordingly.

**Note:** It is obligatory on the part of students to keep in touch with the Department concerned for the possibility of the seats to fall vacant.
23. Admission for late applicants with high merit.

Before considering candidates placed on waiting list for admission, a Board of Control or Admission Committee or Joint Admission Cell may admit a late applicant in the open/reserved category for sufficient cause with the prior approval of the D.U.I./Vice-Chancellor, but only if his/her merit falls in the merit of the first 25% of the applicants admitted in the open/reserved category.

Late admissions shall not be allowed where:
(i) no seats are available;
(ii) the last date of admission as prescribed by the University is over.

24. Admission of students whose results are revised as a consequence of re-evaluation or otherwise late declaration of result, can be made only if:
(i) Seats are available;
(ii) Candidate is higher in merit than the candidate in waiting list.
(iii) The request is made before the last date for late admission with the prior approval of the Vice-Chancellor as already laid down.

The following Rule in the P.U. Cal. Vol. III, 2005 at page 398 will be followed in case of re-evaluation cases:

“If as a result of Re-evaluation, a candidate passes at the examination, he/she shall be eligible to seek admission to the next higher class within ten working days of the communication of re-evaluation result to him/her. His/her attendance shall be counted from the date of his/her admission. However, no candidate would be granted admission on the basis of re-evaluation result after 31st December of the academic session. In the case of admission to a course having Semester Exam. the date will be Oct. 15”.

In the case of late declaration of results due to any reason other than re-evaluation:

That in the case of Panjab University students who had already appeared in any of its examinations and the result was declared late for one reason or the other, while they were in the midway of the course/class, the admission to the next class/course be allowed within 10 days from the date of declaration of the result, without any late fee but not later than 31st December of the academic session. In the case of admission to a course having Semester Exam. the date will be Oct. 15.

(Syndicate para 40, dated 12-3-2005)

25. Verification of Certificates:

All certificates submitted by the candidates at the time of submission of Admission Form in support of their claims shall be checked against the originals at the time of interview.

For the marks obtained, the original certificates shall be ones issued by the University/Board concerned only, and NOT by any Principal of a School/College.

In case a candidate happens to have surrendered the original certificate to an institution/office, as for re-evaluation etc., a copy of the certificate duly attested by a Class-I Officer of the University or a Gazetted Officer may be considered, after a satisfactory explanation from the candidate. Admissions based on such certificates shall be treated as provisional.

(i) The form of application prescribed by the authority from which a certificate submitted by the candidate in support of a claim made by him/her should be obtained. No deviation from this shall be made.
(ii) The Character Certificate submitted by a candidate, as required in the form of application, shall be from the Head of the Institution/University Department last attended.

(iii) A certificate, submitted by the candidate in support of a claim made by him/her, should be in the format prescribed by the issuing authority.

No deviation from this shall be made.

1. Each applicant applying for admission in this category shall, along with the Admission Form, will submit self-attested photocopy of sports certificates, Class-X and Class-XII details marks certificates showing date of birth. The affidavit of sports achievement (Annexure III) duly attested by a Notary/Magistrate Class I/II on a Stamp Paper of Rs. 3/- must also be submitted along with the Admission Form to the concerned department and the concerned department will send the photocopy of the application forms after paging all the documents received from eligible candidates to Directorate of Sports.

2. The D.U.I. has the authority to cancel admission at any time, if it is found that the candidate obtained such admission on the basis of a false certificate or incorrect statement/record.

3. Students seeking admission under this category will be considered for admission only in the games and disciplines in which the Panjab University sends its teams for participation in the Inter-University Tournaments. However in the game of Kabaddi (Punjab Style) & Yoga tournaments only conducted by Panjab University, Chandigarh will also be considered for the admission. (For the inclusion of such games and discipline, see Annexure-I).

4. Reservation under Sports Category is meant only for those active sports-persons who would participate in the Campus, University, National, International level Sports Tournaments. Such students will be considered for admission only if:

   (i) their achievement in sports relates to their activities in any of three years immediately preceding the year of admission (relaxable to 4 years in exceptional cases, on merit, for outstanding sportspersons)

   (ii) if they are otherwise also eligible for participation in Inter-College, Inter-University, National and International Sports Tournaments as per Association of Indian University rules (see Annexure-II).

   (iii) if the performance of the candidate in the trial is not satisfactory, his/her candidature can be rejected.

   (iv) no document including affidavit etc. will be accepted after the last date of submission of admission form neither by the concerned Deptt. nor by the Directorate of Sports. However, in case any sports persons earn any achievement upto June 30, 2011 he/she may submit supplementary copy of the document to the concerned department along with additional affidavit.

5. A committee constituted by the Vice-Chancellor shall screen all the applications under this category through interviews and by holding actual sports trials in the respective games on the Panjab University Grounds, Chandigarh & other venues in Chandigarh as per Schedule of Trials (Annexure-VI). The date of sports trials will be informed by the respective Department in which the applicant applied for

*Achievements under these games i.e. at Sr. No. 21 and 39 will be considered only for the tournaments conducted by the Panjab University.
ELIGIBILITY RULES FOR THE INTER COLLEGE AND INTER UNIVERSITY TOURNAMENTS

A. Eligibility Rules :-

1. Only a bonafide student, who is currently officially enrolled/registered for a degree or diploma of the University/College whose status, is recognized by the appropriate authority of the country, which is of a minimum duration of one academic year and whose examination is conducted by the University shall be eligible to participate in National University Games.

1.1 Students of Open Universities and Institute of Open Learning shall be considered to be bonafide and eligible to participate in National University Games. However, students enrolled/registered in Correspondence Course Institutes of Universities shall not be eligible to participate.

1.2. Ph.D. and M.Phil. Students will be eligible to participate only if in terms of the concerned University’s rules they are regarded to be bonafide students and fulfill other conditions laid down in this behalf.

2. All eligible students while participating in National University Games shall fulfill the following conditions :

(a) Not more than 9 years have elapsed since a student passed the examination qualifying him/her for first admission to a degree or diploma course of university or college affiliated to a university.

(b) The nine year eligibility period mentioned above shall be distributed as under :-

(i) not more than 5 years after passing qualifying examination/10+2 examination or equivalent examination, the period of 3 years shall be extended by two years more than the actual length/duration of the course.

(ii) not more than 4 years after passing Graduate Course/Degree in Post Graduate Courses. However, the period of two years shall be extended by two years more than the actual length/duration of the course. This period includes M.Phil. and Ph.D. courses too irrespective of any other condition like change of class/course/faculty, joining lower class from higher, changing academic to professional courses or vice versa provided that :-

Students admitted immediately after passing 10+2 examination, to graduate courses of more than 3 years duration like Medical, Engineering, Agriculture, Pharmacy and Physical Education etc. shall be eligible to participate in National University Games for one year more than the actual length/duration of such graduate courses.

For the purpose of determine the number of years under the revised FISU eligibility rules for participation :-

(a) graduate courses shall be treated to be those where the admission is sought after passing 10+2 or equivalent examination, as the case may be.

(b) all other professional courses where admission is obtained after passing graduate degree examination(s), e.g. LL.B., M.B.B.S., B.C.A., B.B.A., B.Ed., B.P.Ed., & B.Lib. etc. will be clubbed with other postgraduate courses like M.A., M.B.A., M.Sc., M.Com., M.Lib., M.Ed. & M.P.Ed. etc. as the case may be.

3. Only the competitors who satisfy the following conditions are considered to be eligible to participate in National and International University Games :

(a) Be a national of the country they represent;

(b) Only student who are less than 28 years of age as on first july of the academic year in which the tournament is held can participate.
4. A student who is employed on full time basis shall not be considered eligible to participate in National/International University Games/Championships. However, the student(s) who receives salary of stipends as the case may be from Public and Private Sectors can also participate in National University Games provided he/she submits “No Objection Certificate” (NOC) from the respective Deptt./Organization categorically stating that he/she is permitted to participate in National/International University Games while pursuing his/her studies before his/her admission in a college/university is regularized.

5. A student shall not be allowed to represent more than one university in National University Games during a single/same academic year.

6. Provisional admission to a course of university or college shall not make the student(s) eligible to represent the university in National University Games.

7. In case of a student migrating from one University to another, his/her migration case will be considered eligible only after his/her admission in the new university is regularized and he/she is admitted as a bonafide and eligible student by the new University.

B. Explanation

i. In case of students changing from one course to another the period spend in the previous course before joining the new course shall be counted towards total period of eligibility while participating in National University Games.

ii. One year means the academic year in which the tournament is held irrespective of whether the student’s result is declared or not. It will normally extend from 1st July of one year for 12 calendar months to the next year.

iii. A bonafide student may not be considered to be eligible to participate in National University Games if he/she does not pass/qualify a particular class within the period of two years both at Graduate and Post Graduate courses. However, duration/length of the courses will remain unchanged. For example, not more than five years while students are pursuing Graduate Course/Degree and not more than four years while they are pursuing Post Graduate Course/Degree including M.Phil. or Ph.D. as the case may be.

iv. Interchange of faculty may be allowed to participate provided the student passes his/her first year of the class/course. If the candidate participate for two years in one particular class and if he/she changes course for the identical year, he/she may not be eligible to participate in National University Games for the remaining period of his/her eligibility unless he/she passes first year of course.

v. Student(s) joining lower class/course from higher professional course/degree, merely for the sake of participation or winning sporting competitions will not be encouraged at the cost of academic qualifications essentially required for better career prospects of elite athletes.

C. Disqualifications for Violation of FISU Eligibility Rules

1. Any disqualification of a sportsperson on the grounds of ineligibility will result in automatic scratching of his/her team, for that academic year. The team may be debarred from participating in the National University Games (in that game/event) to be held in the following year, if necessary.

2. A sportsperson disqualified on the basis of ineligibility shall not be permitted to participate in National University Games in the next year, if necessary.
3. It shall be obligatory for the sportsperson who are selected to represent Indian Universities Team(s) to participate in National/International University Games, if they represent some other organizations/ state without the permission of AIU, and their respective university/college, they shall be debarred from participation in the National University Games and disciplinary proceeding shall be initiated according to the existing rules.

4. It shall be mandatory for those students who joined Private and Public Sector(s) on stipend while pursuing their study in universities/colleges to participate Inter College and Inter University Sporting Competitions, in case their admission is based on the sports quota earmarked for promotion of sports by the appropriate authorities should seek no objection certificate from the concerned sector.

5. Further, in case of incidents of violence during the sporting competitions, the College/ University authorities shall have the power to cancel the admission of the defaulting sportsperson(s). If found guilty after due process of enquiry.

6. The defaulters of Drug abuse (doping) in University Sports shall be debarred from participation in the National and International University Games for minimum of period of three years based on the gravity/intensity of offence established by the National Anti Doping Agency (NADA) with a view to make sports drug free in India.
